RESOLVED ITEMS

30. The Keeping of a Child in Secure Accommodation

The Panel considered a report of the Corporate Director of Children's Services which set out the background to the current situation and outlined the reasons why a secure placement was still considered necessary. The Panel also considered a report from the Secure Unit.

The Panel carefully reviewed the case, taking into account the verbal updates from officers of Children's Services and the Secure Unit. The child was in attendance for the whole meeting and was given the opportunity to set out his views.

The Panel agreed that the criteria for the placement in secure accommodation continued to apply, that the placement continued to be necessary and that no other description of accommodation was appropriate.

RESOLVED: That the child remain in the Secure Unit for a period of three months from 15 August 2011.

(Note: The meeting, having commenced at 1.00 pm, closed at 2.20 pm).
