Dear Sir

Please find attached representation against Fusion 318 Uxbridge Rd, HA5 4JP. I am very disappointed citizen for the way in which such an licence is displayed for the public to view where the neighbours have not been written to regarding such an application. A lot of the neighbours are unaware of such an application as the way it is displayed (sneakily) on a small side window where the public will not access.

Regards

Mrs P Patel

The noise level this licence will give them will be the biggest issue. The music will be too loud for a very quiet neighbourhood. This premise (381 Uxbridge Rd) backs on to a residential area. We are so close to the premise that sleeping at night with the loud music is going to be the biggest problem. The hours they have applied for are just not acceptable. Having a restaurant is bad enough when in the past it has been a quite commercial property. Now with a restaurant one would accept small amount of noise to

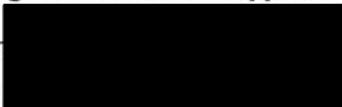

Please provide as much information as possible to support the application (please read guidance note 2)

The noise level with live music is far too loud in a quiet residential area. The music will be loud until 2am, which is going to be a nuisance for the houses this property backs on to. You have to put an end to this. Why wasn't the neighbourhood informed in writing? This is when you need to consult the neighbourhood. This was ~~posted~~ ^{displayed} on a small side window of the premise where nobody can view it. I am totally against it on the grounds of public nuisance. The hours that music will be played on until (2am) and the noise level not letting any neighbours sleep.
