

Report for: Health and Wellbeing Board

Date of Meeting:	22 nd June 2023
Subject:	ICS Health and Care Strategy for North West London
Responsible Officer:	Toby Lambert Executive Director of Strategy for North West London's Integrated Care Board
Public:	Yes
Wards affected:	All
Enclosures:	Health and Care Summary Draft ICS Health and Care Strategy for North West London

Section 1 – Summary and Recommendations

This report sets out a draft Health and Care Strategy as is required of the Integrated Care System of North West London to produce. NHS and local authorities are required to 'have regard' to the strategy and publish a final version which covers both health and care i.e. health and relevant local authority services.

Recommendations:

The Board is requested to: Review the initial draft strategy, via one-page summaries or full draft version as published on the NW London ICB website and discuss the content. A request for the board to feedback their evaluation of the draft and suggested changes, and to share content wider across their borough for greater engagement and insight from residents.
