2.

Questioner: Councillor Peymana Assad

Asked of: Councillor Anjana Patel - Portfolio Holder for Environment and Community Safety

Question: "Over the last 4 months there has been a concerning increase in knife related attacks in the Borough, from St. Georges Shopping Centre to Parks and High Streets. Apart from saying Harrow is one of the safest places to live in London, what is the Portfolio Holder doing to work with local partners to tackle knife crime in the Borough?"

3.

Questioner: Councillor Rashmi Kalu

Asked of: Councillor Norman Stevenson - Portfolio Holder for Business, Employment and Property

Question: "From Pinner to Harrow Weald, flower baskets are being added to high streets across Harrow, it's a lovely addition for many residents across the borough. Why though, has South Harrow high street not been considered for hanging baskets and why are my residents being treated differently to other areas of the Borough such as Pinner?"
