## Minutes of the Special meeting(s) held on 10 August 2020

<b>Proposed correction to minutes for Committee's approval</b>		
<p>Ref. Minute 80, page 21 of the agenda, 1<sup>st</sup> paragraph to read:</p> <p>- the School Streets Grimsdyke Primary School Scheme SS-01 was poor and would increase traffic flows and congestion and did not interact with other schemes in the area. The consultation was poor and a 20mph zone was required in Hillview Road and a section of Grimsdyke Road plus marking out car parking spaces in Shaftesbury Playing Fields car park if the scheme were to proceed. An officer replied that funding was only available for SS-01 but that he would ascertain if a 20mph could be incorporated but he was not certain that the car parking issue in Shaftesbury Playing Fields car park could be funded from SS-01.</p>
