Public Notice 3

Cabinet – 29 April 2021 at 6.30 pm

Pursuant to Regulation 11 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 notice is hereby given that the Cabinet proposes to take 3 Key Decisions on the following items at the Cabinet meeting to be held virtually on Thursday 29 April 2021 at 6.30pm.

Traffic and Road Safety Advisory Panel (TARSAP) Recommendations:

- (1) The Streetspace Low Traffic Neighbourhoods (LTN) six-month review**
- (2) The Streetspace Cycle lane six-month review**
- (3) The Streetspace School Streets six-month review**

The reasons why compliance with Regulations 9 or 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 was impracticable is that:

- 1) The Traffic and Road Safety Panel (TARSAP) met and made recommendations on 22 April 2021;
- 2) The TARSAP indicated that the recommendations are urgent and should be considered at the April Cabinet meeting.
- 3) The experimental traffic orders for the schemes have a 6-month statutory consultation period that ended in March. It is necessary to consider the large number of public representations made and determine whether the traffic orders should continue in force.
- 4) Consideration by the TARSAP had already been delayed to allow specific consultation to take place to ensure that residents' and other stakeholders' views were understood. To delay further would lead to some schemes being in place for longer, despite TARSAP recommending removal based on the results of consultation

In accordance with Regulation 11 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the agreement of the Chair of the Overview and Scrutiny Committee has been obtained that the making of the decisions is urgent and cannot reasonably be deferred.
