[Note: The petition stood referred to the Traffic Advisory Panel].

377. PUBLIC QUESTIONS:

Further to Item 6 on the Summons, the following six questions were submitted by members of the public, in accordance with Council Procedure Rule 12.3:

<u>QUESTION BY</u>	<u>QUESTION OF</u>	<u>TEXT OF QUESTION</u>
(1) Ms Sonia Howell-Jones	The Deputy Leader, Business Connections and Performance Portfolio Holder (Councillor Dighé)	“At the recent public meeting with HCTC, Sanjay Dighé said it cost £500,000 a year to keep one child in a special needs school. My question is how much does it cost to keep an elderly person in a Council care home? And how much if that elderly person suffers from Alzheimer’s or any other disabling illness?”

- | | | |
|--------------------------------|--|--|
| (2) Mr J Zeid | The Deputy Leader,
Business Connections and
Performance Portfolio
Holder (Councillor Dighé) | “In view of the unstable nature of Harrow’s budget and balances and the apparent lack of assumption that this year’s government settlement was likely to be less than generous; What controls were put and are in place to keep spending under tight control to avoid overstretching balances, relying on over-optimistic forecasts (such as equipment and service procurement) and the spectre of raising Council Taxes to residents, from an already high base level?” |
| (3) Mr D Grange | The Leader of the Council
(Councillor N Shah) | “How many and what senior posts are to be relinquished and what actual savings will be made? Since it’s presumed, pensioners not having their rise, Councillors also will be waiving theirs?” |
| (4) Mr P Seedher | The Deputy Leader,
Business Connections and
Performance Portfolio
Holder (Councillor Dighé) | <p>“Despite the investment of the 21% tax hike 3 years ago and the inflation–busting tax increases since then – Harrow residents are looking forward to inflation busting tax increases – for the foreseeable future.</p> <p>How have past windfall tax increases been invested in the Council and therefore when can we expect to see some tangible return in the form of tax increases which are under the level of RPI?”</p> |
| (5) Mr B Macleod-
Cullinane | The Environment and
Transport Portfolio Holder
(Councillor O’Dell) | “Could the Portfolio Holder please comment on the work being undertaken at Belmont Circle, specifically when is it due for completion; the danger that the works pose to pedestrians, particularly those with children trying to cross to reach St Joseph’s Primary School; the restriction on “park and shop” parking and its likely detrimental impact on Belmont Circle shops; how much is this costing Harrow Council Taxpayers in materials as well as in officer time and is a full-cost recharge being done to TfL – including for all that costly and unsightly damage to the roundabout’s greenery; and the rationale for reducing the road width and placing the bus stop further out into the road which, like so many other schemes being implemented under his direction, is only adding to traffic congestion and impatience on Harrow’s roads?” |
| (6) Mr A Kulkarni | The Deputy Leader,
Business Connections and
Performance Portfolio
Holder (Councillor Dighé) | “What has been the percentage increase in Council Tax since Labour took control of Harrow Council in May 1998 until now?” |

[Notes: (i) The first questioner was not present at the meeting and it was agreed that a written reply be sent, with a copy to all Members of Council. The remaining questions were answered orally at the meeting;

(ii) under the provisions of Council Procedure Rule 12.4, supplementary questions were asked in respect of questions (2), (4), (5) and (6), which were also answered orally;

(iii) the relevant questioners additionally accepted the offer of written responses to questions (3), (4) and (5) above, and it was agreed that the response to question (5) be copied to all Members of Council].
