The premises are also allowed to provide musical entertainment by up to 2 performers under the Licensing Act 1964, a right not transferred automatically under the Licensing Act 2003.

### 2.1.3 The Premises:

The premises are on situated in a residential part of Stanmore. The premises are of solid construction with a benefit of a conservatory and not purpose built for entertainments. This Division has received 6 complaints since April 2005 regarding music/party noise from the premises. A location map is attached to this report.

### 2.1.4 Policy Implications

According to the Statutory Guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003, recommends that variation of this nature should be based on 5 main policy aims. These are that;

1. the main purpose of the licensing regime is to promote the licensing objectives;
2. applicants for premises licences or for major variations of such licences are expected to conduct a thorough risk assessment with regard to the licensing objectives when preparing their applications. This risk assessment will inform any necessary steps to be set out in an operating schedule to promote the four licensing objectives;
3. operating schedules, which form part of an application, should be considered by professional experts in the areas concerned, such as the police and environmental health officers, when applications for premises licences and club premises certificates are copied to them by applicants;
4. local residents and businesses are free to raise relevant representations, which relate to the promotion of the licensing objectives, about the proposals contained in an application; and
5. the role of a licensing authority is primarily to regulate the carrying on of the licensable activity when there are differing specific interests in those activities to ensure that the licensing objectives are promoted in the wider interests of the community.

When considering applications, it is expected that licensing authorities will seek to uphold these policy aims.

The Council's Licensing Policy in section 2.2 stipulates that a thorough risk assessment with regards to the Licensing Objectives must be carried out to reflect the individual nature of the venue.

## 2.2 Representations

2.2.1 The application has received representations from 2 Responsible Authorities, 68 local residents and a petition with 33 signatures. Copies of these representations are attached to this Report.

## 2.3 Consultation

The application was advertised in accordance with the Regulations under the Licensing Act 2003.

## 2.4 Financial Implications

N/A

## 2.5 Legal Implications

2.5.1 Having considered the representations from all parties, the Panel has to determine the application for the variation of the converted premises licence. The legislation does not list the grounds on which the Panel can refuse and/or grant an application for a licence. The legislation does allow for the imposition of conditions, restrictions, etc. but again offers no guidance as to the type of condition that may be imposed. It is clear that any additional conditions would have to be practical, enforceable and meet the rules of natural justice and the promotion of the four Licensing Objectives.

### 2.5.2 Options available to the Panel:

- a. To grant the application as it stands. Any licence granted would be subject to conditions relating to the Operating Schedule attached to the Application.
- b. To grant the Licence in light of any evidence presented at the hearing, from both the interested party and the applicant, subject to:
  - i) The conditions mentioned in the operating schedule being modified to such extent as the authority considers necessary for the promotion of the licensing objectives and/or to limit the period of validity of the grant, and

- ii) Any condition which, must under section 19, 20 or 21 (Mandatory Conditions) of the Licensing Act 2003 be included in the licence, and
  - iii) To exclude from the scope of the licence any of the licensable activities to which the application relates,
- c. To reject the application.

2.5.3 It should be noted with all options that;

- i). Clear reasons would have to be given to the applicant and to the persons/Responsible Authorities who made representations if the application were granted, refused or, if additional conditions were imposed; and
  - ii). The applicant and/or the interested party/Responsible Authorities would have the right of appeal to a Magistrates Court.
- 2.5.3. In addition to determining the application in accordance with the legislation, Members must also have regard to the provisions of the Human Rights Act 1998.

**Q** Please describe any proposed additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

**a) General - all four licensing objectives (b,c,d,e) (please read guidance note 15)**

Following an assessment of the premises and its surrounding area the following is proposed:  
30 minute "drinking up" time will allow appropriate dispersal, use of lavatories etc  
In order to further the licensing objectives the licensee reserves the right to move the fire appliances, AWP machines, cigarette machines and or any other similar objects temporarily in a fixed location which may impact on the ability of individuals on the premises to use exits or escape routes without impediment.

**b) The prevention of crime and disorder**

The external areas of the premises are provided with adequate lighting.  
With the current bar counter layout the majority of the internal trading area is easily supervised from behind the bar and toilets are checked regularly.  
The management and staff routinely monitor customer behaviour, especially during busy periods.  
The premises is fitted with CCTV currently monitoring the entrance, car park and interior of the bar and also a passive infra red (PIR) burglar alarm system.  
The possession and/or use of drugs on the premises is not tolerated and vigilance is applied in this area at all times.

**c) Public safety**

A Health & Safety risk assessment is in place and check on a quarterly basis and COSHH is in place.  
An accident / incident book on site for staff and public and first aid facilities are available.  
The pub is equipped with emergency lighting, illuminated exit signs and a fire detection system throughout the entire building and all fire fighting equipment is serviced annually.  
There are current electric and gas certificates in place and all portable electrical appliances are tested annually.  
Maximum effort is placed on providing a smoke free environment with the use of mechanical smoke extractors and smoke filters in the bar area.  
All kitchen based food handlers are required to have Basic Food Hygiene certificates. The premises has a pest control contract in place.  
Staff are trained to provide the maximum assistance to disabled customers at all times.

**d) The prevention of public nuisance**

This is a detached property which does help to minimise noise transfer to our neighbours, however, staff and management regularly check noise levels to ensure a nuisance is not created for our neighbours. The pub's entrances both have internal lobbies which also helps to reduce noise emission.  
When required, staff organise taxis to transport customers home and if ever necessary, customers are seen off the premises and requested to disperse quietly at closing time. There is also a good bus service in the area with a bus stop directly in front of the premises.

**e) The protection of children from harm**

Unaccompanied children are not permitted on the premises.  
The front outside drinking area has a low level fence around it and the childrens play area at the rear is completely enclosed and accessed only through the bar.  
The cigarette and gaming machines are adjacent to the bar counter and therefore easily supervised by staff.
