Harrow on the Hill | This report was not available at the time the agenda was printed and circulated. Members were requested to consider this item as a matter of urgency. |
| 23. | Variation of Section
106 Agreement,
Clementine Churchill
Hospital, 9 Sudbury
Hill, Harrow | The Deed of Variation was drafted and negotiated by the developer's solicitors and the Council's legal officer and was due to be sealed on 19 July 2006. A final matter, however, arose whereby Legal Services required evidence that a charge on the land had been discharged. As an assurance, the Council required an undertaking that the charge be removed. Only the chargee's solicitors (not a party to this matter) could give this undertaking and was received outside the extended timeframe granted by Development Control Committee (DCC) authority for completion. Accordingly, Legal Services were unable to seal the Deed of Variation and required an extension of authority to complete. The Deed was ready to be sealed but needed authority to do so. The next DCC meeting was not until September and it would hold up use of the temporary endoscopy unit, IVF clinic and enhanced pathology department at the hospital to wait until then. |
