A Member of the Committee proposed refusal because of the height and closeness to the neighbouring garden which would affect the amenity of the

residents at no.1 Mayfield Avenue according to Harrow's UDP Policies D4 and D5. The motion was seconded, put to the vote and lost.

DECISION: GRANTED permission for the development, as described on the application and submitted plans, subject to conditions and informatives reported.

3 WEST DRIVE GARDENS, HARROW, HA3 6TT (APPLICATION 2/06)

Reference: P/2823/11 – (Mr Neil Gargle). Extension of Time to Planning Permission P/2316/08DFU Dated 17/10/2008 for 'Two-Storey, Three Bedroom Detached Dwelling House with New Vehicular Access'.

The Committee noted that the application was for an extension of time for a planning permission that had been granted on appeal. As the drawings and documentation were identical to the first application, the pertinent considerations were whether relevant planning policy had changed and whether the application should be viewed as 'land never developed' or 'back garden land'.

The Committee was informed that emerging policy CS1.B of the Core Strategy introduced a more explicit presumption against development of garden land. The policy carried weight as an emergent policy, following the receipt of the Inspector's report. However, on balance, taking into account the current UDP policies which were still in force, the planning history of the site, the site circumstances and the relevant appeal decisions, the officer recommendation to grant remained.

In response to questions it was noted that:

- CSI.B had not been formally adopted by the Council. Had it been adopted there would be a presumption against development on garden land;
- a restrictive covenant was not a planning consideration;
- Harrow Council had a housing strategic needs assessment in which it had identified sufficient brownfield sites for housing development.

A Member of the Committee proposed refusal on the grounds that 'the proposed redevelopment of the site to provide an additional dwelling house, by reason of its siting within a private residential garden, would represent an

inappropriate form of development, contrary to the guidance set out under PPS3: Housing (2011), saved policy EP20 of the Harrow Unitary Development Plan (2004), and Core Policy CS1 part B of the emerging Harrow Core Strategy (as approved by the Planning Inspector in December 2011).'

The Committee received representations from an objector, Marylyn Fuller, and a representative of the applicant, Stuart Rackham.

DECISION: GRANTED permission for the development, as described on the application and submitted plans, subject to conditions and informatives reported.

The committee wished it to be recorded that the decision to grant the application was as follows:

Councillors Keith Ferry, Thaya Idaikkadar, Ajay Maru and Bill Phillips voted to approve the application.

Councillors Stephen Greek, Joyce Nickolay and Anthony Seymour voted against.

The officer reported that the site had been marketed for a suitable period without success. The recommendation for temporary permission would enable the situation to be reassessed.
