[Note: Licensing Panel minutes are:-

- (1) approved following each meeting by the Members serving on that particular occasion and signed as a correct record by the Chairman for that meeting;
- (2) not submitted to the next panel meeting for approval.

Reasons: The Licensing Panel is constituted from a pooled membership. Consequently, a subsequent Panel meeting is likely to comprise a different Chairman and Members who took no part in the previous meeting's proceedings. The process referred to at (1) above provides appropriate approval scrutiny].
