Resolved Items

520. Addition of fifteen parks and gardens to the Local List of Historic Parks and Gardens - approval to adopt

RESOLVED: That

- (1) the representations received in response to the consultation on the proposals and officers' responses to these set out in the body of the report and Appendix 1, be noted;
- (2) the addition of 15 parks and gardens to the Harrow local list of historic parks and gardens (as shown in Appendix 2 to the officer report with their proposed local list descriptions), be approved.

Reasons for Decision:

1. To comply with the National Planning Policy Framework requirement that planning authorities ensure that they made information about the significance of the historic environment gathered as part of plan-making or development management publicly accessible.
2. Providing locally listed status to those heritage assets that have local merit would help protect Harrow's local historic and architectural

interest and assist the Council to meet its corporate priority that seeks to *build stronger communities*.

3. To comply with the Harrow Core Strategy (adopted 12th February 2012) Strategic Objective 1 for 'heritage assets – parks and gardens' for an 'up to date list of locally important historic parks and gardens'.

Alternative Options Considered and Rejected: As set out in the report.

Conflict of Interest relating to the matter declared by Cabinet Member/Dispensation Granted: None.

- (2) the Corporate Director of Community, following consultation with the Portfolio Holder for Housing, the Portfolio Holder for Strategy, Regeneration, Partnerships and Devolution and the Portfolio Holder for Finance and Resources, be authorised to finalise negotiations with the developer and enter into the Legal Agreements subject to the final terms being evidenced to represent the optimum deal for the council and value for money;
- (3) the Corporate Director of Community, following consultation with the Portfolio Holder for Finance and Resources and the Portfolio Holder for Housing, be authorised to determine the long-term council ownership model for the Lease;
- (4) the Corporate Director of Community, following consultation with the Portfolio Holder for Housing, be authorised to retain consultants to advise on the final negotiations and others as necessary to provide technical support to the council in delivery of the project, the costs to be contained within existing budgets.

Reason for Decision: The Public Health grant conditions ([public health grant conditions](#)) made it clear that "a local authority must, in using the grant: have regard to the need to improve the take up of, and outcomes from, its drug and

alcohol misuse treatment services". The Young People's Substance Misuse Service would be funded wholly from the Public Health budget allocation.

The contract in question had an individual contract value in excess of £500,000 and therefore Cabinet approval was required to procure a new service.

The decision to insure was driven by the need to protect the financial position and stability of the authority by providing financial protection against catastrophic losses, which was achieved through insurance risk transfer.

The long-term agreement with the current insurers for the Council's corporate property, liability and terrorism insurances expires on 31 March 2022, therefore it would be necessary to re-tender these contracts.

Reason for Decision: To provide an efficient and compliant route for the award of a Fuel Card Services Contract to support the operation of essential 'in house' frontline services.
