48. **Local Areas of Special Character Report**

The Panel received a report on the Local Areas of Special Character – Outcomes of Consultation on the Proposed Designation Criteria.

The Panel had considered the draft criteria for the proposed Local Area of Special Character (LASC) designation at its meeting on 6 March 2023. The report fed back representations received to informal consultation on the proposed criteria, and recommended minor changes arising from these.

The Panel discussed the report, and consequently, unanimously recommended it to Cabinet for adoption.

RESOLVED: That the Panel

- (1) consider the consultation responses on the criteria for the new local heritage designation, namely proposed 'Local Areas of Special Character'; and
- (2) recommend to Cabinet the criteria for designation (including the minor clarification), as set out in paragraph 6.3 of the report.

49. Tall Buildings (Building Heights) Supplementary Planning Document

The Panel received a report on Tall Buildings ('Building Heights') Supplementary Planning Document (SPD) – for consideration of consultation responses and proposed amendments, and recommendation for Cabinet to adopt.

The report provided a progress update to the drafting of a draft Tall Buildings ('Building Heights') Supplementary Planning Document ("SPD"). The report specifically set out the public consultation undertaken, the consultation responses received and comments on these, and the proposed changes to the draft the SPD following consultation.

The Panel was invited to make comments on consultation responses and proposed amendments to the draft SPD, which was attached as Appendix 2.

The Panel discussed the report, and consequently, unanimously recommended it to Cabinet for adoption.

RESOLVED: That the Panel:

- (1) notes the contents of the report, and the consultation feedback with responses (Appendix 1);
- (2) notes the amended draft SPD which was considered to address the consultation responses where appropriate (Appendix 2); and
- (3) provides comments / feedback in relation to the information set out in the report and associated draft SPD (Appendix 2) (to inform any revisions prior to the draft being submitted to Cabinet for consideration and agreement to adopt) and commend the draft SPD as a final document to Cabinet for adoption.

50. Statement of Community Involvement Report

The Panel received the Updated Statement of Community Involvement (SCI).

The report set out the updated SCI as a replacement for the 2012 version.

It had been over 10 years since the Statement of Community Involvement (SCI) was last revised and adopted. The publishing of a new SCI facilitated Regulation 18 Consultation on the upcoming draft New Harrow Local Plan as it was good practice to ensure that the SCI is updated prior to launching such an extensive borough wide consultation.

The Panel discussed the report, and consequently, unanimously recommended it to Cabinet for adoption.

RESOLVED: That the Panel:

- (1) notes and comments on the draft SCI and proposed changes;
- (2) notes and comments on the intention not to formally consult on the document; and
- (3) commends the updated Statement of Community Involvement (SCI) to Cabinet for adoption, subject to any legal advice received in relation to not undertaking consultation.

(Note: The meeting, having commenced at 6.30 pm, closed at 8.23 pm).

(Signed) Councillor Marilyn Ashton
