The Youth Parliament supports the elected members of UK Youth Parliament

The UKYP aims to give the young people of the UK, between the age of 11 and 18, a voice which will be heard and listened to by local and national government, providers of services for young people and other agencies that have an interest in the views and needs of young people. It is a national body of democratically elected young people aged from 11 to 18, which has the support of the three major Political Parties.

Harrow has three successful general elections. These elections are organised by the Harrow Youth Parliament with the support of Harrow's Electoral Services. A record number of young people have

participated in 3 general youth elections. In the 3rd UK Youth Parliament election in the borough in 2009/2010 as many as 7500 young people voted at 25 polling stations across Harrow. There was an increase of 70% over the first election in 2006/2007.

Harrow’s Young People elected into UK Youth Parliament

Harrow Youth Parliament elected two of their members into the UK Youth Parliament at their Annual General Meeting. The Youth Parliament now has 77 registered members after the youth elections in February, which recorded 12,305 votes.

The new Youth Parliament was officially opened by the Deputy Chief Executive, Mr Tom Whiting, he said “what a fabulous event, it was a pleasure to have the opportunity to attend and thank all of the Youth Parliament for the huge contribution they have made in the last year and to welcome the successfully elected new officers into their posts”

Brain Gate, Portfolio holder for Schools and Colleges said, “I was privileged to attend the AGM of Harrow Youth Parliament. I was most impressed by the organisation of the meeting and the high quality of all of the candidates in the hustings. The questions from the HYP members to the candidates were also well thought out and challenging. I am certain that these young people will go on to be Councillors and Members of Parliament later in life. It is reassuring that the future of democracy in

Harrow is in very safe hands”.

Bill Stephenson, Leader of Harrow Council attended the event and said “I would like to congratulate everyone who was elected into office. I was so impressed by the standard of leadership shown by Harrow’s Youth Parliament. I felt like I was sitting amongst our future leaders. The Youth Parliament gives young people a real voice in the political debate and invites them to help find solutions to the issues which matter most to them. It’s the place for the next generation of decision-makers to get real experience and influence.”
