

Community & Environment
Corporate Director – John Edwards

Owner/Occupier

Date: 17th May 2012

Dear Resident,

Statutory Consultation for Double Yellow Lines – Between permit bays outside properties 1a to 7 High Worples

Please see the attached plan (ref:T/DWG/000275-07/A) detailing proposals designed to prevent vehicles parking inconsiderately causing access issues for residents on both sides of the carriageway.

We wish to make sure that everyone who may be affected by these proposals knows what is happening and has the opportunity to let us know what they think. It is important to note the final decision on the measures proposed will be solely based on residents submitted views. We will not make any assumptions for those people who do not respond.

We shall advertise the Traffic Management Order by placing notices on street lamp columns and in a local paper today, 17th May 2012 which will also explain where the plans can be seen, this would give anyone a chance to place a formal objection if they wish to do so by **7th June 2012**.

Under the legislation which controls the statutory consultation process anyone, local resident/business or not, can make a formal objection to the proposals. However the objection needs to be made in writing (email is acceptable) including the word object or objection (to distinguish it clearly from comments) and the reason for the basis of the objection with your name and address. The law sets out a strict timetable for considering formal objections. Objections to the scheme proposals should be sent to:

David Eaglesham
Service Manager, Traffic and Highway Network Management
Harrow Council
PO Box 39
Civic Centre
Harrow HA1 2XA

Or by email to transportation@harrow.gov.uk quoting ref DP 2012-06 and making sure it is received by **7th June 2012**.

Appendix B

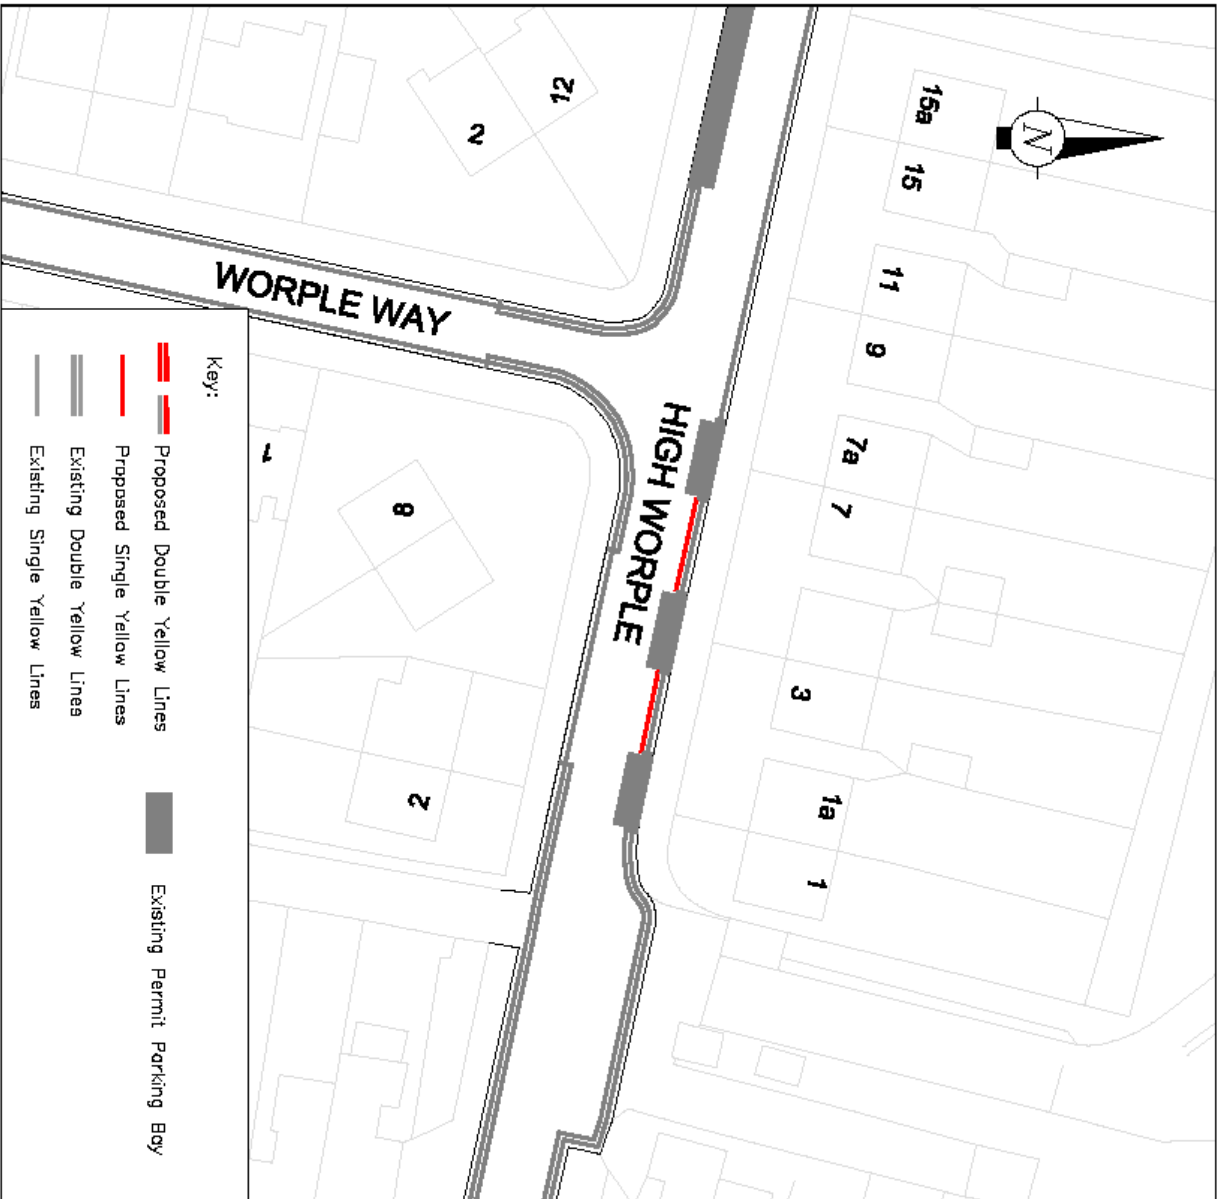

If you have any further questions, or wish to comment, please contact me on:

Tel: 020 8424 1535
Email: elliott.hill@harrow.gov.uk

Or write to: Parking and Sustainable Transport
Harrow Council
P.O. Box 39
Civic Centre
Harrow, HA1 2XA

Yours sincerely,

Elliott Hill
Project Engineer
Parking and Sustainable Transport
