

# HARROW YOUTH & COMMUNITY PROJECT

This survey of the young people and their parents on the Kenmore Estate was undertaken over a 4 day period from Thursday 29<sup>th</sup> May to Saturday 31<sup>st</sup> May and completed on Monday 1<sup>st</sup> June 2003.

The survey asked would you welcome a proposed youth club and community morning drop in centre in the Kenmore Hall, whose activities would be a Saturday morning club for children and a youth club for the teenagers in the evenings.

From the start the attitude towards the proposals for Kenmore Hall was very encouraging and the goodwill received from door to door was most welcome. Several times I was invited into homes to ask some of the young people who took part in this survey, so keen was the interest of their parents, many of whom wish to be involved on a voluntary basis.

Of all the residents of the Kenmore Estate who were asked, only one person said no, but it was interesting she had no children under 20 years old while other adults with grown up children wanted a place for the youth on the estate to go, so supported in principle the idea of a youth club in the Kenmore Hall.

Below is the information given by the residents of the Kenmore Estate on Morehouse Road, Warneford Road, Waghorn Road, Cody Close and Liddle Close.
