

VAUGHAN PARENTS FOR PROGRESS

safeguarding the future of our children's education...

Dear Councillors,

We are a community group that supports the proposed building project at Vaughan Primary School, for a number of important reasons. We have collected **1125** signatures from supportive Harrow residents and employees.

The school intake has now permanently increased from 60 to 90 pupils a year. As it is, the current school building is not fit for purpose, and by September 2014 it will fail to accommodate this increase without temporary classrooms.

We feel that the proposed scheme offers the best possible outcome for our children, as it will give them a wonderful learning space and will provide a more secure environment by placing the reception at the front of the school, maximising the safety of our children.

We fear any further delay in the planning or building of this scheme will result in unnecessary disruption to our children's education.

Please consider who will suffer as a result of any further delay.

Residents?

Parents?

Teachers?

Staff?

Local businesses?

In their own "small way", maybe.

But, the real victims will be the children...

We urge you to pass these plans when they come before the planning committee and to ensure there is no delay in the release of funding, so that this vital building work can start as soon as possible.

Thank you for your attention.
