Hi Simon,

Thanks for getting back to me, Yes the alleys behind the shops really needs to be sorted and also the current litter caused by McDonalds is not entirely under control.
Pls see attached photo's.

Thank you Shema for your email. I've forwarded your concerns to the Council and tottally agree with you about the mess behind the shops. Please be assured that this is something I am trying to resolve with the shopkeepers as it is both an unhegenic and unsightly mess.

Thank you again for taking the time to contact me.

Kind regards
Simon

Dear Simon,

I received you leaflet re: the opening hours for McDonalds. The longer opening hours will lead to more litter. Currently, there is already a lot of litter around the area which is not been cleaned as it should be.

Also, the amount of litter in general around Shaftsbury Circle, where the shops and flats are is ridiculous. It seems that this is never picked up. The alleys behind the shops look so filthy. These issues need to be resolved first before extending the opening hours and creating more litter.
