15th October 2013

Dear Adrian,

Thank you for your letter dated 5th September regarding the Stanburn Schools Amalgamation proposals.

At the Stanburn Junior School Governing Body Meeting held on 23rd September 2013, it was re-affirmed that the Governors would support the amalgamation of the First and Junior Schools.

I am therefore agreeable to you reporting to Harrow Cabinet that Stanburn Junior Schools' view on the proposals is to support the move to amalgamation and we are fully engaged in the process.

Yours sincerely,

Stuart Johnson

Chair – Stanburn Junior School Governing Body
