Dear Adrian

Thank you for your letter dated 5th September regarding the Stanburn Schools Amalgamation proposals.

At the Stanburn First School Governing Body Meeting held on 17<sup>th</sup> September 2013, it was reaffirmed that the Governors would support the amalgamation of the First and Junior Schools.

I am therefore agreeable to you reporting to Harrow Cabinet that Stanburn First Schools' view on the proposals is to support the move to amalgamation and we are fully engaged in the process.

Yours sincerely

Mrs L Martin  
Chair - First School Governing Body
