1.

**Questioner:** Councillor James Bond

**Asked of:** Councillor Susan Hall, Leader of the Council and Portfolio Holder for Community Safety and Environment

**Question:** "I note with interest the announcement of plans to introduce 20 minutes free on-street parking across the borough.

Will the Leader of the Council tell me whether there are plans to extend the proposed free 20 minutes to off-street parking sites, and thus give an even greater boost to all of our shopping centres?"

2.

**Questioner:** Councillor Asad Omar

**Asked of:** Councillor Susan Hall, Leader of the Council and Portfolio Holder for Community Safety and Environment

**Question:** "I am very pleased that you are, at last, implementing Independent Labour Group's policy of 20 Minutes Free Parking across Harrow. This is good news for Residents and Businesses in Harrow. Can you please tell me how much is it going to cost in total and how long will it take to implement?"

3.

**Questioner:** Councillor Krishna James

**Asked of:** Councillor Manji Kara, Portfolio Holder for Community & Culture

**Question:** “I welcome the proposition of Hindu School in Harrow in principle. Given that you have welcomed the news in the media about the feasibility study to build a Hindu School in Whitchurch Playing Fields, could you tell us who initiated the process, did you or the Council approached the DfE, who is actually conducting the feasibility study and who will be consulted upon and how. Would you please share what is the timeframe and would you be reporting back to residents and the Members with the technical findings – particularly environmental impact and flood plan assessment reports – along with other survey details?”

4.

**Questioner:** Councillors Mano Dharmarajah or Krishna James

**Asked of:** Councillor Susan Hall, Leader of the Council and Portfolio Holder for Community Safety and Environment

**Question:** “Would you agree that your administration have followed Independent Labour Group’s footsteps in critical policy areas?”
