Delete post of Senior Professional SIMS	-60	G	delivered	Alex Dewsnap
Performance, Research & Analysis Business Case and New Operating Model Strategic Commissioning	-132	A	CSB considered the aggregation business case at its meeting on 27th March. Aspects of this affecting policy delivery will now be delivered to coincide with a new Administration in May 2014. Therefore, the saving for 2013/14 will need to be delivered via changes in staffing plus underspend within the Division, which is currently on track. The £97k is on track to be delivered along with the £93k in line 61 for 2014/15 plus the structural budget changes necessary to enable the remainder of the £132k to be taken out of the base budget on a permanent basis in 2014/15. Saving is therefore amber only on the basis of the structural savings not being delivered in year but there will be no adverse budget position due to delivering an underspend position across the Division. Homelessness [100 families & anticipated B&B HB changes]	-250	A	£150k flagged up as unachievable in 2013/14 and additional savings made elsewhere as part of commissioning panel proposals to cover this amount. Saving then re-instated by members due to delay in implementation of universal credit, but still not considered to be achievable on a permanent basis by officers, although it may be deliverable in the short term. In 2013/14 compensatory savings likely to avoid this being overspent.	Jon Dalton
Homelessness	1,000	A	Impact of welfare reform not yet known. We believe we can meet from within these figures, but delay in implementation may result in movement between years.	Jon Dalton
Invest to Save in PSL	289	A	Due to the impact of welfare reform, it has proven more difficult than anticipated to source new private-sector properties to lease as landlords are increasingly concerned about the potential for loss of income. This initiative is in the process of being reviewed to make it more attractive, but we anticipate that we will use this budget by the end of 2014-15.	Jon Dalton

WLA Joint Procurement: APC Residential Care	-150	G	Uncertain that continuing to place at APC rates will deliver the required level of saving. However, we believe it is likely given the part-year effect of 2012/13 placements. This needs to be monitored throughout the year.	Visva Sathasivam
CNWL: Mental Health Efficiencies	-100	G	This saving is dependent on CNWL managing within existing budget and containing any pressures that arise from placements in the year. In addition, there are historic issues regarding CNWL's ability to deliver services within the approved financial envelope.	Visva Sathasivam
Residential Care Strategic Review	-1,550	R	This is a complex project which impacts the most vulnerable in harrow and specifically their living arrangements. In order to manage the transition arrangements it has been necessary to slow certain resident moves in order to avoid litigious challenge. The project will deliver the MTFs over two years and the savings shortfall for 2013/14 will be met through the early delivery of other Adult Services projects.	Jonathan Price
Investment in Community Based Services	775	R		
Day Care Strategic Review	-300	R	This project involves a change in service for upwards of 100 service users with learning disability. Delays in the initial consultation lead to an in year cabinet decision to implement. Again, the project will deliver the MTFs over two years and the savings shortfall for 2013/14 will be met through the early delivery of other Adult services projects.	Jonathan Price
Reablement	-900	G	Plans to achieve this are in place, but will need ongoing monitoring alongside other purchasing budgets as these can be very volatile.	Jonathan Price

Secure further earmarked investment from CCG in Adult Social Care	-500	A	An agreed position has been reached for the 2013/14 NHS Funding Transfer which results in the Council supporting the CCG STARRS service for 2013/14 only and which leaves a shortfall of £64k. This additional income, previously assumed to be received on an ongoing basis has been taken out as part of the MTFS refresh for 2014/15.	Carol Yarde

Community Development review of structure and service reprovision	-48	G		
Libraries Transformation 2	-25	G	The relevant salaries budgets have been reduced and this saving will be achieved.	
Cultural Strategy Review efficiencies - savings subject to tender with Ealing & Brent	-200	A	Due to the latesness of implementation and the significant costs of extending the Leisure contract, no savings will be made in 13-14 . Additionally, some funding will be required for mobilisation costs, particularly IT costs i.e. uncoupling the IT from the Council. Approximate cost for this is £80k.

Reduce Adult Learning Subsidy	-73	G	Kenton Learning Centre have agreed to fund the running costs £24k. Plans are in place for the Service manager to be funded from the grant from September 2013.	
Reduce subsidy to harrow young musicians	-28	G	Alternative funding is available to Harrow Young Musicians; grant reduced by 50% in 13/14.	
Share responsibility for Community Cohesion across Council	-63	R	The saving assumes the deletion of 1 FTE with effect from 1/4/13. Unlikely to be achieved.	
Commercialisation Hatch End Pool, Arts Centre, Museum & Bannister stadium	-117	R	The income targets agreed by Members, ahead of the development of the business case were extremely challenging, and as a result not considered achievable for either the Museum [which will be closed until potentially November 2014 due to Tithe Barn works] or the Arts Centre. A Commercialisation project has been set up to develop further and indicate that this saving may be deliverable in a longer time frame, requiring compensatory savings to be identified in the shorter term.	
Review main grants budget	-69	G	This reduces the SLA grant budget by 10% to £600k. Grants have been allocated for 13/14 in line with the funding available.	
Reduce officer support for grants	-40	G	A member of staff was on long-term sick leave during the year which incurred some agency costs for this period. One member of staff has moved to part-time hours.
