## **Section 2 – Report**

### **Introductory paragraph**

Cabinet on 9 September 2004 agreed to sit in the role of Performance Board on a quarterly basis and to receive the Strategic Performance Report. The report helps members to monitor progress against the Council's vision and Council Priorities and identify corrective action where necessary.

### **Reporting Format**

The Strategic Performance Report is arranged to correspond with the current Corporate Plan.

The Corporate Scorecard, which forms part of this report, places an increased emphasis on outcomes for the resident and service user, i.e. what benefit or difference they will experience. Since outcomes may change relatively slowly over time, more of the measures are annual or even biennial and therefore not updated each quarter. For simplicity, these are shown only in the quarter in which they become available.

The report at **Appendix 1** provides the following content:

#### **Council wide progress in the Quarter**

Summaries of -

- Council-wide and Directorate progress in the Quarter
- Progress with major projects in the Transformation Programme
- Progress against the Council's Equality Objectives

#### **Performance Summary for each Council Priority and the Efficient and Effective Organisation perspective**

- "Corporate Plan Actions" - covers those specific actions that were planned for the period under review.
- Summary for key performance indicators on the Corporate Scorecard
- An analysis of progress against each red indicator in the "key challenges" section
