Notes:

1 One response concerned their address not in CPZ.

2 All three responses concerned not in CPZ and stating existing parking problem. The roadway of Serenity Court is not currently public highway although entrance to some Serenity Close addresses also comes out onto Coles Crescent.

3 Two representations of support, One a petition attached with a formal objection is referred to in 2.24 to 2.26 of report.

4 Five formal objections entirely or substantially about length of CPZ operating hours being too long. Four further objections raised CPZ times as an issue. Two raised issues about effective enforcement and five responses objected to the level of permit charges.

The table on the following pages provides further details on the reasons provided for objections
