Dear Johanna

### **Consultation on Proposed Amalgamation and Expansion of Weald Schools**

In response to Chris Melly's letter dated 3 November 2014, the Governing Body at its meeting held on 26 November 2014 reiterated its support for the two proposals: that Weald Infant and Nursery School and Weald Junior School are joined together to form one combined school on 1 April 2015 and the combined school is expanded to four forms of entry (120 places) with effect from 1 September 2016.

As stated in my previous letter of 22 October 2014, the Governing Body wishes to achieve a lasting solution to the problems associated with the access of traffic, parking, safety and the travel behaviour of Weald Schools' parents and carers. We strongly believe there is a real urgency to address these issues now with the school working with officers from the Council's Highways Department, parents, carers and the local community. During the consultation process residents from the neighbouring streets have emphasised their concerns. It cannot not left until the construction of the school rebuild is about to begin or at the point when the school is about to expand to take action. Therefore, we request a meeting with officers from the Council's Highways Department to take these issues forward as soon as possible.

Yours sincerely

Marie-Louise Nolan  
Chair of Governors
