Section 2: Report

2.1 Brief History

- 2.1.1 Application has been made by Messer's Poppleston Allen Solicitors on behalf of Postcode Pubco Ltd for a Premises Licence. A copy of the application and the existing Entertainment licence are attached to this report.
- 2.1.2 The application seeks changes to the existing Justices Licence hours, which, if granted, will take effect from 24th November 2005:

Note: The Secretary of State through the statutory guidance has made this statement;

It should normally be possible for applicants for premises licences and club premises certificates to anticipate special occasions which occur regularly each year – such as bank holidays – and to incorporate appropriate opening hours for these occasions in their operating schedules. Similarly, temporary event notices – in respect of which a personal licence holder may give fifty each year – should be sufficient to cover events like Golden Wedding Anniversaries or 21st Birthday parties which take place at premises which do not have a premises licence or club premises certificate. However, with the passage of time exceptional events of local, national or international significance will arise which could not or have not been anticipated. Such events can give rise to the need to vary the conditions of large numbers of premises licences and club premises certificates. In such circumstances, it will be open to the Secretary of State to make a licensing hours order to provide for premises with a premises licence or club premises certificate to open for specified, generally extended, hours on these special occasions. Examples might include a one-off local festival, a Royal Jubilee, a World Cup or an Olympic Games.

*Such events should be genuinely exceptional and the Secretary of State will not consider making such an order lightly. Licensing authorities (or any other persons) approaching the Secretary of State about the making of such an order are advised that they should give **at least** six months notice before the celebration in question. Before making such an order, the*

Secretary of State is required to consult such persons as she considers appropriate, and this would generally enable a wide-range of bodies to make representations to her for consideration. In addition, such an order will require the approval of both Houses of Parliament. Six months would be the minimum period in which such a process could be satisfactorily completed.

The existing opening hours are listed on the attached Entertainment licence.

2.1.3 The Premises:

The premises are situated in the main commercial part of Belmont Circle, but residential dwellings are located at close proximity. The premises are of solid construction and not purpose built for entertainments. However, through the Entertainment licence, there are additional controls put in place to minimise the nuisance caused by music noise. This Section has received in the past complaints regarding noise and anti-social behavior from patrons of Rambling Inn, however this Division was not able to investigate these complaints as the complainants did not want to be identified to the operators of the premises. A location map and the Planning Conditions are attached to this report.

2.1.4 Policy Implications

According to the Statutory Guidance issued by the Secretary of State under s182 of the Licensing Act 2003, recommends that variation of this nature should be based on 5 main policy aims. These are that;

1. the main purpose of the licensing regime is to promote the licensing objectives;
2. applicants for premises licences or for major variations of such licences are expected to conduct a thorough risk assessment with regard to the licensing objectives when preparing their applications. This risk assessment will inform any necessary steps to be set out in an operating schedule to promote the four licensing objectives;
3. operating schedules, which form part of an application, should be considered by professional experts in the areas concerned, such as the police and environmental health officers, when applications for premises licences and club premises certificates are copied to them by applicants;
4. local residents and businesses are free to raise relevant representations, which relate to the promotion of the licensing objectives, about the proposals contained in an application; and
5. the role of a licensing authority is primarily to regulate the carrying on of the licensable activity when there are differing specific interests in those activities to ensure that the licensing objectives are promoted in the wider interests of the community.

When considering applications, it is expected that licensing authorities will seek to uphold these policy aims.

The Council's Licensing Policy in section 2.2 stipulates that a thorough risk assessment with regards to the Licensing Objectives must be carried out to reflect the individual nature of the venue.

2.2 Representations

2.2.1 The application has received representations from 3 Responsible Authorities and 1 local resident. Copies of these representations are attached to this Report.

2.3 Consultation

The application was advertised in accordance with the Regulations under the Licensing Act 2003.

2.5 Legal Implications

2.5.1 Having considered the representations from all parties, the Panel has to determine the application for the variation of the converted premises licence. The legislation does not list the grounds on which the Panel can refuse and/or grant an application for a licence. The legislation does allow for the imposition of conditions, restrictions, etc. but again offers no guidance as to the type of condition that may be imposed. It is clear that any additional conditions would have to be practical, enforceable and meet the rules of natural justice and the promotion of the four Licensing Objectives.

2.5.2 Options available to the Panel:

- a. To grant the application as it stands. Any licence granted would be subject to conditions relating to the Operating Schedule attached to the Application.
- b. To grant the Licence in light of any evidence presented at the hearing, from both the interested party and the applicant, subject to:
 - i) The conditions mentioned in the operating schedule being modified to such extent as the authority considers necessary for the promotion of the licensing objectives and/or to limit the period of validity of the grant, and
 - ii) Any condition which, must under section 19, 20 or 21 (Mandatory Conditions) of the Licensing Act 2003 be included in the licence, and

- iii) To exclude from the scope of the licence any of the licensable activities to which the application relates,
- c. To reject the application.

2.5.3 It should be noted with all options that;

i). Clear reasons would have to be given to the applicant and to the persons/Responsible Authorities who made representations if the application were granted, refused or, if additional conditions were imposed; and

ii). The applicant and/or the interested party/Responsible Authorities would have the right of appeal to a Magistrates Court.

2.5.3. In addition to determining the application in accordance with the legislation, Members must also have regard to the provisions of the Human Rights Act 1998.
