### Petition 1

We the undersigned, petition Harrow Borough Council to maintain the current levels of service provided by the Children's Centres. These are key to supporting children's development across the borough. Failing to maintain this service will have a long term impact on individual children and their families. The loss of this service will also have long term financial implications for Harrow Council. We think that this should be prioritised at the expense of other areas of the council's budget, outside of Children's Services.
