

# Harrow Virtual School School Improvement Plan-Review Jan 2015 2014-15

"Partners for Excellence"

### Vision, Values and Principles

- Harrow Children and Families will assure provision for CLA which gives each child/young person a sense of security, safety, emotional attachment, continuity, commitment, identity and high achievement.
- Looked After Children's "Journey" from entering through to leaving care, will provide high quality learning and development experiences, which prepares them well for adult life.
- The quality of education or training is inspiring and challenging leading to the best possible outcomes for every child/young person.
- Leadership and governance arrangements will provide both support and challenge to all with responsibility for CLA so that nothing but the best possible outcome for each CLA child/ young person will be accepted.
- Pupil participation and engagement will underpin the creation and implementation of the overall strategy for CLA provision.
- The voice of every CLA is heard and given priority within the educational or EET settings and policy

# Targets for 2014-2015

- Improvement in achievement rates towards goal of top quartile performance
- Reduction in absence rates to 5% or below
- 95% of PEPs and Pathway Plans completed in timescale
- Reduction in fixed term exclusion to less than 10% (CLA 1 year+)
- Effective partnerships between designated teachers, the virtual school and foster carers to ensure all involved in corporate parenting work maximise education achievement of CLA
- Ensure that no outstanding health issues impact on a child/young person's development and achievement
- NEET reduction-75% to be EET (16-18 year olds)

# Priorities for 2014-15

- Raise the achievement of Children Looked After so that each child maximises their full potential.
- To improve the quality of practice through high quality PEPs and Pathway Plans effectively delivered and monitored
- CLA have improved outcomes through effective strategies and interventions which are established to improve the attendance, punctuality and participation of all CLA
- CLA pupils make good progress through supported, trained and developed Virtual School staff, designated teachers, social workers and foster carers
- CLA to have improved outcomes through effective and robust support systems for 'at risk' CLA/Care leavers
- CLA pupils make good progress through improved quality of provision

# PRIORITY

I. Raise the achievement of Children Looked After and Care Leavers so that each child maximises their full potential.

#### **Outcomes sought**

- CLA achievement is at least in line with National Expectations in all phases
- CLA feel safe, secure and thrive at their homes, school/settings and wider communities
- CLA in their early years show development at expected levels
- Year 12 and 13 students gain the qualification and skills they need, and reach high levels of participation to be successful into employment or further education.
- CLA have a clear and meaningful transition plans integral within the PEPs
- Achievement and progress regularly tracked and analysed to inform planning
- Robust plans written for targeted intervention groups (Years 9 and 10 students) \*\*\*\*\*\*\*
- Effective monitoring of how enhanced pupil premium is spent to ensure impact on progress and attainment
- All CLA's who change placement, should attend 'Good or Outstanding' school (where possible)

| All OLA's who change placement, should allend 'Oodd of Odislanding' school (where placement, should allend 'Oodd of Odislanding School ('Oodd of 'Odislanding School ('Odislanding School ('Odislandin | /         | DecMan       | Laadi    |        |

| 7 Key worker to be allocated to Years 9 and 10 to improve engagement, progress and att                 |                     |                  |                   |               |

•••

Until restructure of VS is facilitated there is no staffing capacity to support this action
8 To work with school to provide alternatives to exclusion or managed move for CLAs Progress has been made with individual cases-but this is ongoing. Plan to train schools on the impact of Attachment/Trauma
9 Each CLA to have an identified Health Care Professional to assess and meet their medical needs
Work with multi agencies especially Sue Nixon to plan for the implementation of this action
10 Transitions to be planned for effectively Need for information about CLA in EY settings in order to plan for effective transition into schools Secondary transition to include proposed schools to be invited to the transition PEP Post 16 Schools now identifying proposed transitions to FE. More work needed with receiving institution

| II. To improve the quality of practice through high quality PEPs and Pathway Plans effect   | ively delivered   | and monitored    |                |                            |

# PRIORITY

III. CLA have improved outcomes through effective strategies and interventions which are established to improve the attendance, punctuality and participation of all CLA

#### **Outcomes sought**

- Increase average attendance levels for CLA are in line with the borough expectation of 95%
- Reduce incidence of persistent and long term absenteeism
- Following a change of placement, students should be placed in an educational provisional quickly as possible
- Reduce fixed term exclusions from 17% (2013 2014) to 10%
- NEET (Year 13) CLA figures are reduced to be at least in line with statistical neighbours

# PRIORITY

VI. CLA pupils make good progress through improved quality of provision

### Outcomes sought

- A robust system for one to one tuition is implemented
- Attendance at Maths and English Homework Club increases
- Enrichment activities are well attended to increase aspirations and broaden experiences
- A Virtual School who are effective at attaining, conveying and responding to CLA views
- Engagement with Corporate Parent Panel to improve council response to CLA needs

• The implementation of a governing body for the Virtual School to oversee and evaluate the effectiveness of provision and outcomes for all CLAs
