Reference: P/0341/15 (Dr Dilip Patel) Description: Conversion Of Dwellinghouse Into Two Flats; Two Storey Side Extension And Single Storey Rear Extension; External Alterations; Parking

Following questions from Members, an officer advised that:

- a single point of entry to the development had been considered by the developer, however, two entry points were now proposed in order to allow access to the garden and refuse storage area;
- any reasons for refusal of the previous application had been addressed in the current application. There would be adequate amenity space at the site;
- there were no permitted development rights in relation to the application and the applicant would be obliged to complete the proposed development exactly as shown on the plans;
- the style of windows were in keeping with the character of the building.

A Member proposed a motion for refusal on the following grounds:

1. The proposal would give rise to an unduly obtrusive and incongruous form of development that would detract from the character and appearance of the existing property and the surrounding locality and harm the amenity of neighbouring occupiers, contrary to policies 7.4B and 7.6B of The London Plan, CS1B of the Harrow Core Strategy, and DM 1 and DM 26 of the Harrow Local Plan;
2. The proposal would result in a loss of family housing in this location, and an inappropriate housing mix given the established character of the area, contrary to policy DM 24 of the Harrow Local Plan.

The motion was seconded, put to the vote and lost.

DECISION: GRANTED planning permission subject to conditions.

The Committee wished it to be recorded that the decision to grant the application was by a majority of votes.

Councillors Ghazanfar Ali, Keith Ferry, Graham Henson, Kairul Kareema Marikar voted for the application.
