Introduction

- 2.1 Harrow Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Council also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.
- 2.2 In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, which includes arrangements for the management of risk.
- 2.3 The Council has approved and adopted a corporate governance framework and a Code of Corporate Governance, which is consistent with the principles of the CIPFA/SOLACE Framework *Delivering Good Governance in Local Government*. Annual Governance Statement

- 2.4 Each year the Council undertakes a robust review of its governance arrangements to ensure the delivery of good governance within a local government framework and current good practice. The purpose of the review is to provide assurance that governance arrangements are adequate and operating effectively and to identify action required to ensure effective governance in the future.
- 2.5 Internal Audit co-ordinates the annual review compiling evidence/sources of assurance provided by members of the Corporate Governance Working Group into an evidence table that is used as a basis for the preparation of the draft AGS which is reviewed and agreed by the Corporate Governance Group.
- 2.6 The Annual Governance Statement is prepared on behalf of the Leader of the Council and the Chief Executive. It is submitted in draft to the

Leader, the Chief Executive and the Governance, Audit and Risk Management (GARM) Committee for consideration and review and included with the draft annual accounts to meet the statutory requirement of the Accounts and Audit Regulations 2011 which requires authorities to “conduct a review at least once in a year of the effectiveness of its system of internal control”.

- 2.7 The Statement will be finalised, having considered any comments received on the draft, and updated to reflect any changes in the governance framework between the end of the financial year and the point at which it is signed-off. The signed-off version will be presented at the next GARM Committee meeting with the Accounts.
