

Petition to

- London Borough of Harrow Planning/Enforcement Department
- Mr Gareth Thomas, M.P.
- Cllr. Chris Mote

We, the undersigned residents of Pinner South Ward, object most vehemently to the erection of an O2 mobile telephone mast at the rear of Cannon Newsagent, Coronation Parade/Cannon Lane which is very, very close to our homes.

We particularly object to the high handed manner in which this work has been vigorously progressed without any consultation with, or consideration of, the local Residents.

We ask our Member of Parliament and Councillors to protect our environment, present our objections and prevent the erection of this mast.
