## **Section 1 – Summary and Recommendations**

This report is the final draft of 2015/16 Quality Account for the Royal National Orthopaedic Hospital. The account reviews the Trust's performance across a range of indicators as well as setting out quality improvement priorities for 2016/17. As part of the external assurance requirements, the Trust is required to submit the draft account to the local overview and scrutiny committee for review.

**Recommendations:**

The OSC is asked to review the Quality Account and provide the Trust with a written statement of assurance for inclusion in the final published account.
