

MAJOR DEVELOPMENTS PANEL – 30 JUNE 2016

AGENDA PART 1

PUBLIC QUESTIONS (ITEM 5)

Fifteen minutes will be allowed for members of the public to ask the Chair a question on any matter within the terms of reference of the Panel

Public Question 1

Questioner: Sarah Thorp

Asked of: Councillor Keith Ferry, Chair of the Major Developments Panel

Question: With regard to Persimmon Home's intention to submit a revised planning application doubling the number of houses and flats on the Zoom Leisure site, my neighbours and I are extremely concerned about the impact on the local area and want to know what CIL and Section 106 funding is proposed for this significant increase in density of housing?
