Overview and Scrutiny Committee and Scrutiny sub-committees

Introduction

This Article describes the structure and method of operation of the committees that are to undertake the overview and scrutiny function.

6.01 Terms of Reference

The Council will appoint an Overview and Scrutiny Committee to discharge the functions conferred by section 21 of the Local Government Act 2000.

The Overview and Scrutiny Committee will establish two Call-in Sub-Committees to consider Executive decisions taken but not implemented (See Rule 46 of the Overview and Scrutiny Procedure Rules in Part 4 of the Constitution for information about the process for calling in decisions), together with a Performance & Finance Scrutiny Sub-Committee and a Health and Social Care Scrutiny Sub-Committee. The scope of the Committee and each sub-committee is set out in the right hand column of the table below.

The guiding principle for the work of the Overview and Scrutiny Committee and Scrutiny Sub-Committees is that it should be consensual and positive. The emphasis of the work should be on making a proactive and positive contribution to the development of policy and the discharge of the Council's functions. This is best achieved by an inclusive process covering Members, partners, service users and employees.

| Committee | Scope |
|-----------------------|---|
| Overview and Scrutiny | To oversee a more targeted and proportionate work programme that can help secure service improvement through in depth investigation of poor performance and the development of an effective strategy/policy framework for the council and partners. |

| Sub-Committee | Scope |
|-------------------------|---|
| Call-In | To exercise the call-in powers and to refer any decision to Council that does not accord with the policy framework or budget. |
| Call-In (Education) | To exercise the call-in powers in relation to education matters and to refer any decision to Council that does not accord with the policy framework or budget. |
| Performance and Finance | To be the key driver of the scrutiny function's work programme and the body responsible for monitoring the performance of the council and partners in relation to their states priorities. |
| Health and Social Care | To be the key driver of the scrutiny function's health and social care scrutiny programme and maintain relationships with health and social care colleagues and partners in relation to shared stated priorities, in consultation with the Overview & Scrutiny Committee. |

6.02 General Role

Within their terms of reference, the Overview and Scrutiny Committee and Scrutiny Sub-Committees other than the Call-In Sub-Committees will have the following roles:

- (i) the strategic development of policy – by supporting the Council and Executive in developing the policy framework and budget for the Council and working with partner organisations on issues that may be outside the remit of the Council;
- (ii) reviews of specific services – by making reports and/or recommendations to the full Council, Executive, Portfolio Holders and any Joint or Area Committees on any of their functions;
- (iii) the review of policy and decisions developed by others – by reviewing and/or scrutinising decisions made or actions taken in connection with the discharge of any of the Council's functions;

- (iv) the review of issues of concern to local people – by considering any matter affecting the area or its inhabitants and monitoring and scrutinising the activities of others;
- (v) consideration of the Forward Plan and scrutiny prior to key decisions being made, as appropriate;
- (vi) scrutiny of decision making processes – by helping to draw up Protocols on how the Executive and Portfolio Holders should make decisions and then checking to see that these have been observed;

The Call-In Sub-Committees may call in Executive decisions made but not yet implemented.
