Subject: Objection to licensing application for Club Cinnamon

To whom it may concern,

I am writing in reference to the licensing application for Club Cinnamon, located at 406, Kenton Lane, Harrow. Middx. HA3 8RQ whereby they are wanting to remain open until 4am.

I would like to make a formal objection to this application, being a local resident living on the road opposite at [REDACTED] Kingshill Drive for the past 35 years, we do not want the noise and disturbance being caused as a result of this late opening. We are also against the possibility of further disturbances, anti social behaviour after drinking as well as issues with parking, as the car park is located a stones through from our house.

We have already had instances of rowdy behaviour from people leaving Funky Brownz and Club Cinnamon, and this has resulted in residents cars being defaced or damaged.

If the licensing hours are extended, we envisage this being worse and wish for this objection to be taken formally and seriously.

Kind regards

Mr Vishal Shah

Subject: Licensing Application

Dear Sir/Madam,

Re: licensing application for club cinnamon at 406 Kenton Lane, Harrow, HA3 8RQ

We are writing with reference to the licensing application made for club cinnamon located at 406 Kenton Lane. As residence of the immediate area, we object the above application on the basis of noise and disruption. The current licensing hours are already causing disturbance to the neighbourhood. We fear that extending the licensed hours would exacerbate further disturbances and antisocial behaviour.

Moreover, patrons who visit the club tend to park on the surrounding residential roads - Kingshill Drive being the most convenient. There have already been incidences of indecent drunken behaviour when they return to their cars.

We envisage this and subsequent disturbances worsening if hours are extended later into the night. We hope you would take our concerns into consideration when deciding upon this application.

Kind Regards,

Viran Dadlani and Family

Subject: Complaint//Cinnamon Club Licensing Application - 406 Kenton Lane

Dear Sir/Madam –

I was made aware last night of the request for extending licensing hours at 406 Lane. I and all resident of this property ([REDACTED] Kingshill Drive) vehemently object to this due to the impacting noise levels and disruption. This extended hours will cause disruption to the local neighborhood and surrounding areas due to the convenience of parking on this street. The late hour and subsequent disruptive behavior by those leaving the club in what is a family residential area is not welcome.

We implore the council to take our complaint and those of our neighbours into consideration while refusing this application.

Best Regards,

W
