Section 2 – Report

Introductory paragraph

The Corporate Plan sets out the strategic direction for the authority, it's vision, priorities, core outcomes and key initiatives which describe and illustrate the programme of activity for next two years and against which the Council is happy to be judged. Together with the Final Revenue Budget 2017-18, it outlines what the Council intends to do, how those actions and services will be funded and the progress we are making towards achieving them. The funding detail is set out in the budget reports.

Options considered

The Corporate Plan needs to be updated annually to align with the budget. It is important that the Council have a Corporate Plan. Therefore no other options have been considered.

Background

All Councils are experiencing immense budgetary pressures and Harrow is no different. The Corporate Plan is designed, not only to set out how this Borough is responding to those challenges, but it also sets out our aspirations for the Borough, and our strategy to deliver on our vision of 'Working together to make a difference for the vulnerable, communities, families and businesses'. That strategy, between now and 2020, is to Build a Better Harrow, Protect the Most Vulnerable and Be More Business Like.

The Corporate Plan, entitled 'Harrow Ambition Plan 2020' is set in three parts: A first section that sets out the context, ambition and strategy; section two which is the delivery plan, and sets out the projects, initiatives and targets we aspire to achieve and an update on progress towards achieving these; and a third section which is aimed internally at staff which sets out what all of this will mean for the Council as an organisation and a place to work.

Where necessary, further consultation will be undertaken with residents and communities to shape the delivery of the proposals within the Corporate Plan, in keeping with the ambition of the Administration to consult and engage.

Risk Management Implications

Risk included on Directorate risk register? Yes
Separate risk register in place? Yes

Risks identified as barriers to the achievement of corporate priorities in the Corporate Plan and are captured in the corporate risk register and also in supporting directorate risk registers.

The Corporate Risk Register is reported to CSB, the Portfolio-Holder and GARMS quarterly. The Risk Strategy (which includes Risk Appetite Statement) is reported to CSB/GARMS/PH/Leader/Cabinet annually or as and when updated.

Risks identified as part of individual programmes and projects referenced with the Corporate Plan will have their own specific risk assessments.

Legal Implications

Approving the Council's policy framework is reserved to full council. The Corporate Plan will therefore be considered on 23rd February 2017.

Financial Implications

The financial implications of the Corporate Plan are set out in the Final Revenue Budget 2017-18. The Corporate Plan incorporates those key activities that the Administration wish to be delivered between now and 2019 within the current spending envelope.

Equalities implications / Public Sector Equality Duty

Where activities are proposals and final business cases are still being developed, EQIAs will be developed to support these.

Council Priorities

The Corporate Plan sets the delivery plan for making the Council's corporate priorities a reality.
