

# Equality Impact Assessment Template

The Council has revised and simplified its Equality Impact Assessment process (EqIA). There is now just one Template. Lead Officers will need to complete **Stages 1-3** to determine whether a full EqIA is required and the need to complete the whole template.

- In order to complete this assessment, it is important that you have read the Corporate Guidelines on EqIAs and preferably completed the EqIA E-learning Module.
- You are also encouraged to refer to the EqIA Template with Guidance Notes to assist you in completing this template.
- SIGN OFF: All EqIAs need to be signed off by your Directorate Equality Task Groups.
- Legal will NOT accept any report without a fully completed, Quality Assured and signed off EqIA.
- The EqIA Guidance, Template and sign off process is available on the Hub under Equality and Diversity

## Stage 1: Overview

<p>1. What are you trying to do?</p> <p>(Explain your proposals here e.g. introduction of a new service or policy, policy review, changing criteria, reduction / removal of service, restructure, deletion of posts etc)</p>	<p>An opportunity to optimise food waste collection routes arises following the recent communication from WLWA that a planning permission to construct a food waste transfer facility at Victoria Road will be submitted.</p> <p>The service employs 6 food waste collection crews. Food waste is currently delivered to the transfer station in Brentford. The journey time to and from the transfer station means that it is difficult to seek efficiencies under the current arrangement.</p> <p>Victoria Road is geographically closer and therefore it will reduce travelling time for tipping food waste.</p> <p>Indicative timetable suggested by WLWA is that the new facility at Victoria Road will be made available in 18 months' time (i.e. around April 2018), subject to achieving a successful planning application.</p> <p>Initial assessments by the service indicate that the routes can be optimised to achieve efficiencies; however a route optimisation exercise will need to be carried out to confirm the number of rounds that can come out. At this stage, it is considered possible to reduce the number of rounds from 6 to 5.</p> <p>In order to provide the most efficient service, considerations will need to be given on the vehicle type &amp; size. Any changes to vehicle requirements may have a financial impact on the annual hire charge. Currently the food waste vehicles are on short term hire. At this stage, it is assumed</p>
--	--

	<p>the budget provision for these short term hire vehicles is sufficient to cover the hire cost of new vehicles (if any is required). There are some agency staff used by the service no permanent staff will be effected by route optimisation. There will be no impact on the public the service will be the same but there may be a change on the collection day.</p> <p><b>Risks</b></p> <p>Delay in the construction of food waste facility at Victoria Road and/or availability of the site.</p>

## Stage 2: Evidence & Data Analysis

<p>4. What evidence is available to assess the potential impact of your proposals? This can include census data, borough profile, profile of service users, workforce profiles, results from consultations and the involvement tracker, customer satisfaction surveys, focus groups, research interviews, staff surveys, press reports, letters from residents and complaints etc. Where possible include data on the nine Protected Characteristics.</p> <p>(Where you have gaps (data is not available/being collated for any Protected Characteristic), you should include this as an action to address in your Improvement Action Plan at Stage 6)</p>

Protected Characteristic	Evidence	Analysis & Impact
Age (including carers of	The 2011 Census estimated there were 239,100 people living in Harrow	

young/older people)	Looking at the borough's population in three broad age groups, 0-15 (children), 16-64 (working age) and 65+ (older people), the breakdown (Census 2011) is as follows: 0-15 20.1%, 16-64 65.8%, 65+ 14.1%.	No significant impact on this group; the service will be the same but there may be a change on the collection day  Consultation will be undertaken as part of the project if required .
Disability (including carers of disabled people)	6,380 people in Harrow were recipients of Employment and Support Allowance (ESA) and Incapacity Benefits in August 2015, 4.0% of the total resident population.	No significant impact on this group; the service will be the same but there may be a change on the collection day  Consultation will be undertaken as part of the project if required.
Gender Reassignment	Data not currently available for this protected characteristic.	No data available to demonstrate that this group would be disproportionately affected.  Consultation will be undertaken as part of the project if required.
Marriage / Civil Partnership	Data not currently available for this protected characteristic.	No data available to demonstrate that this group would be disproportionately affected.  Consultation will be undertaken as part of the project.
Pregnancy and Maternity	Data not currently available for this protected characteristic.	No data available to demonstrate that this group would be disproportionately affected.  Consultation will be undertaken as part of the project if required.
Race	The GLA's 2011 Census Ethnic Diversity Indices show that Harrow is ranked 7 <sup>th</sup> nationally for ethnic diversity. Diversity indices measure the number of different/distinct groups present in the population and the sizes of these distinct groups relative to each other.  The main ethnic groups identified by the 2011 Census were: 30.88% White (UK); 26.38% Indian; 11.2% Other Asian; 8.2% Other White; 3.57 African	No significant impact on this group; the service will be the same but there may be a change on the collection day  Consultation will be undertaken as part of the project if required.
Religion and Belief	The 2011 Census showed the following religions in Harrow: Christian 37.31%; Buddhist 1.13%; Hindu 25.27%; Jewish	No significant impact on this group; the service will be the same but there may be a change on the collection day

	4.41%; Muslim 12.5%; Sikh 1.15%; Other religions 2.49%.	Consultation will be undertaken as part of the project if required
Sex / Gender	The 2011 Census showed that there were 118,000 males and 121,000 females in Harrow.	No significant impact on this group; the service will be the same but there may be a change on the collection day  Consultation will be undertaken as part of the project if required.
Sexual Orientation	Data not currently available for this protected characteristic	No data available to demonstrate that this group would be disproportionately affected.  Consultation will be undertaken as part of the project if required.

### Stage 3: Assessing Potential Disproportionate Impact

5. Based on the evidence you have considered so far, is there a risk that your proposals could potentially have a disproportionate adverse impact on any of the Protected Characteristics?

	Age (including carers)	Disability (including carers)	Gender Reassignment	Marriage and Civil Partnership	Pregnancy and Maternity	Race	Religion and Belief	Sex	Sexual Orientation
Yes									
No	X	X	X	X	X	X	X	X	X

**YES** - If there is a risk of disproportionate adverse Impact on any **ONE** of the Protected Characteristics, complete a FULL EqIA.

- **Best Practice:** You may want to consider setting up a Working Group (including colleagues, partners, stakeholders, voluntary community sector organisations, service users and Unions) to develop the rest of the EqIA
- It will be useful to also collate further evidence (additional data, consultation with the relevant communities, stakeholder groups and service users directly affected by your proposals) to further assess the potential disproportionate impact identified and how this can be mitigated.
- **NO** - If you have ticked 'No' to all of the above, then go to **Stage 6**
- Although the assessment may not have identified potential disproportionate impact, you may have identified actions which can be taken to advance equality of opportunity to make your proposals more inclusive. These actions should form your Improvement Action Plan at Stage 6

## Stage 4: Further Consultation / Additional Evidence

6. What further consultation have you undertaken on your proposals as a result of your analysis at **Stage 3**?

Who was consulted? What consultation methods were used?	What do the results show about the impact on different groups / Protected Characteristics?	What actions have you taken to address the findings of the consultation? E.g. revising your proposals

## Stage 5: Assessing Impact

7. What does your evidence tell you about the impact on the different Protected Characteristics? Consider whether the evidence shows potential for differential impact, if so state whether this is a positive or an adverse impact? If adverse, is it a minor or major impact?

Protected Characteristic	Positive Impact ✓	Adverse Impact		Explain what this impact is, how likely it is to happen and the extent of impact if it was to occur.  <b>Note – Positive impact can also be used to demonstrate how your proposals meet the aims of the PSED Stage 7</b>	What measures can you take to mitigate the impact or advance equality of opportunity? E.g. further consultation, research, implement equality monitoring etc <b>(Also Include these in the Improvement Action Plan at Stage 6)</b>

<b>8. Cumulative Impact</b> – Considering what else is happening within the				Yes	No

<p>Council and Harrow as a whole, could your proposals have a cumulative impact on a particular Protected Characteristic?</p> <p>If yes, which Protected Characteristics could be affected and what is the potential impact?</p>				
<p><b>9. Any Other Impact</b> – Considering what else is happening within the Council and Harrow as a whole (for example national/local policy, austerity, welfare reform, unemployment levels, community tensions, levels of crime) could your proposals have an impact on individuals/service users socio economic, health or an impact on community cohesion?</p> <p>If yes, what is the potential impact and how likely is it to happen?</p>	Yes		No	

**Stage 6 – Improvement Action Plan**

List below any actions you plan to take as a result of this Impact Assessment. These should include:

- Proposals to mitigate any adverse impact identified
- Positive action to advance equality of opportunity
- Monitoring the impact of the proposals/changes once they have been implemented
- Any monitoring measures which need to be introduced to ensure effective monitoring of your proposals? How often will you do this?

Area of potential adverse impact e.g. Race, Disability	Proposal to mitigate adverse impact	How will you know this has been achieved? E.g. Performance Measure / Target	Lead Officer/Team	Target Date
Residents	If agreed further work will be completed (including a route optimisation exercise) with regard to the implementation of the project to ensure that any risks are mitigated.	Agreed action plan with clear objectives in place.	Alan Whiting	Sept 2017

<b>Stage 7: Public Sector Equality Duty</b>					
<b>10.</b> How do your proposals meet the Public Sector Equality Duty (PSED) to: <ol style="list-style-type: none"> <li>1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010</li> <li>2. Advance equality of opportunity between people from different groups</li> <li>3. Foster good relations between people from different groups</li> </ol>			Future work will include the development of a clear implementation framework supported by clear objectives.		
<b>Stage 8: Recommendation</b>					
<b>11.</b> Which of the following statements best describes the outcome of your EqIA ( ✓ tick one box only)					
<b>Outcome 1</b> – No change required: the EqIA has not identified any potential for unlawful conduct or disproportionate impact and all opportunities to advance equality of opportunity are being addressed.				X	
<b>Outcome 2</b> – Minor Impact: Minor adjustments to remove / mitigate adverse impact or advance equality of opportunity have been identified by the EqIA and these are included in the Action Plan to be addressed.					
<b>Outcome 3</b> – Major Impact: Continue with proposals despite having identified potential for adverse impact or missed opportunities to advance equality of opportunity. In this case, the justification needs to be included in the EqIA and should be in line with the PSED to have 'due regard'. In some cases, compelling reasons will be needed. You should also consider whether there are sufficient plans to reduce the adverse impact and/or plans to monitor the impact. <b>(Explain this in Q12 below)</b>					
<b>12.</b> If your EqIA is assessed as <b>outcome 3</b> explain your justification with full reasoning to continue with your proposals.					

<b>Stage 9 - Organisational sign Off</b>	
<b>13.</b> Which group or committee considered, reviewed and agreed the EqIA and the Improvement Action Plan?	Reviewed by the Chair of the DETG and will be reviewed as part of the Cabinet process.
