

# Equality Impact Assessment Template

The Council has revised and simplified its Equality Impact Assessment process (EqIA). There is now just one Template. Lead Officers will need to complete **Stages 1-3** to determine whether a full EqIA is required and the need to complete the whole template.

- In order to complete this assessment, it is important that you have read the Corporate Guidelines on EqIAs and preferably completed the EqIA E-learning Module.
- You are also encouraged to refer to the EqIA Template with Guidance Notes to assist you in completing this template.
- SIGN OFF: All EqIAs need to be signed off by your Directorate Equality Task Groups.
- Legal will NOT accept any report without a fully completed, Quality Assured and signed off EqIA.
- The EqIA Guidance, Template and sign off process is available on the Hub under Equality and Diversity

## Stage 1: Overview

<p><b>1. What are you trying to do?</b></p> <p>(Explain your proposals here e.g. introduction of a new service or policy, policy review, changing criteria, reduction / removal of service, restructure, deletion of posts etc)</p>	<p>The Council can set its own fees for pre-planning application advice. Central Government have provided guidance that Councils can set charges to allow full cost recovery for this service. The Council charges a range of fees according to the complexity and scale of the particular proposal that pre-application advice is sought for.</p> <p>In the last financial year (2015/16) the Council received a total fee income from pre-application advice of £181,246.85. In this financial year (2016/17) the income recorded at Q1 is £64,979.06. If this is extrapolated over the remainder of the year, the income would be £259,916.24. This does represent an increase in projected income as compared to 2015/16.</p> <p>In addition to this, the fee schedule will be reviewed to assess whether it is full cost recovery currently or whether there is scope for an increase across all the categories. The initial view is that there is scope for an increase, possibly by 20% on average across all the categories. This will form part of the annual fees &amp; charges review (to be approved by Cabinet).</p>

### Stage 3: Assessing Potential Disproportionate Impact

5. Based on the evidence you have considered so far, is there a risk that your proposals could potentially have a disproportionate adverse impact on any of the Protected Characteristics?

	Age (including carers)	Disability (including carers)	Gender Reassignment	Marriage and Civil Partnership	Pregnancy and Maternity	Race	Religion and Belief	Sex	Sexual Orientation
Yes									
No	✓	✓	✓	✓	✓	✓	✓	✓	✓

**YES** - If there is a risk of disproportionate adverse Impact on any **ONE** of the Protected Characteristics, complete a FULL EqIA.

- **Best Practice:** You may want to consider setting up a Working Group (including colleagues, partners, stakeholders, voluntary community sector organisations, service users and Unions) to develop the rest of the EqIA
- It will be useful to also collate further evidence (additional data, consultation with the relevant communities, stakeholder groups and service users directly affected by your proposals) to further assess the potential disproportionate impact identified and how this can be mitigated.
- **NO** - If you have ticked 'No' to all of the above, then go to **Stage 6**
- Although the assessment may not have identified potential disproportionate impact, you may have identified actions which can be taken to advance equality of opportunity to make your proposals more inclusive. These actions should form your Improvement Action Plan at Stage 6

### Stage 4: Further Consultation / Additional Evidence

6. What further consultation have you undertaken on your proposals as a result of your analysis at **Stage 3**?

Who was consulted? What consultation methods were used?	What do the results show about the impact on different groups / Protected Characteristics?	What actions have you taken to address the findings of the consultation? E.g. revising your proposals

Stage 5: Assessing Impact					
7. What does your evidence tell you about the impact on the different Protected Characteristics? Consider whether the evidence shows potential for differential impact, if so state whether this is a positive or an adverse impact? If adverse, is it a minor or major impact?					
Protected Characteristic	Positive Impact ✓	Adverse Impact		Explain what this impact is, how likely it is to happen and the extent of impact if it was to occur.  <b>Note – Positive impact can also be used to demonstrate how your proposals meet the aims of the PSED Stage 7</b>	What measures can you take to mitigate the impact or advance equality of opportunity? E.g. further consultation, research, implement equality monitoring etc <b>(Also Include these in the Improvement Action Plan at Stage 6)</b>
		Minor ✓	Major ✓		
Age (including carers of young/older people)					
Disability (including carers of disabled people)					
Gender Reassignment					
Marriage and Civil Partnership					

Pregnancy and Maternity					
Race					
Religion or Belief					
Sex					
Sexual orientation					
<b>8. Cumulative Impact</b> – Considering what else is happening within the Council and Harrow as a whole, could your proposals have a cumulative impact on a particular Protected Characteristic?  If yes, which Protected Characteristics could be affected and what is the potential impact?	Yes		No		
<b>9. Any Other Impact</b> – Considering what else is happening within the	Yes		No		

Council and Harrow as a whole (for example national/local policy, austerity, welfare reform, unemployment levels, community tensions, levels of crime) could your proposals have an impact on individuals/service users socio economic, health or an impact on community cohesion?

If yes, what is the potential impact and how likely is it to happen?

**Stage 6 – Improvement Action Plan**

List below any actions you plan to take as a result of this Impact Assessment. These should include:

- Proposals to mitigate any adverse impact identified
- Positive action to advance equality of opportunity
- Monitoring the impact of the proposals/changes once they have been implemented
- Any monitoring measures which need to be introduced to ensure effective monitoring of your proposals? How often will you do this?

Area of potential adverse impact e.g. Race, Disability	Proposal to mitigate adverse impact	How will you know this has been achieved? E.g. Performance Measure / Target	Lead Officer/Team	Target Date
No areas identified	N/A	N/A	N/A	N/A

**Stage 7: Public Sector Equality Duty**

**10.** How do your proposals meet the Public Sector Equality Duty (PSED) to:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010
2. Advance equality of opportunity between people from different groups
3. Foster good relations between people from different groups

There are no implications.

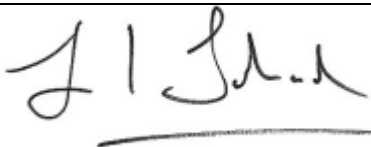

## Stage 8: Recommendation

**11.** Which of the following statements best describes the outcome of your EqIA ( ✓ tick one box only)

<b>Outcome 1</b> – No change required: the EqIA has not identified any potential for unlawful conduct or disproportionate impact and all opportunities to advance equality of opportunity are being addressed.	✓
<b>Outcome 2</b> – Minor Impact: Minor adjustments to remove / mitigate adverse impact or advance equality of opportunity have been identified by the EqIA and these are included in the Action Plan to be addressed.	
<b>Outcome 3</b> – Major Impact: Continue with proposals despite having identified potential for adverse impact or missed opportunities to advance equality of opportunity. In this case, the justification needs to be included in the EqIA and should be in line with the PSED to have 'due regard'. In some cases, compelling reasons will be needed. You should also consider whether there are sufficient plans to reduce the adverse impact and/or plans to monitor the impact. <b>(Explain this in Q12 below)</b>	
<b>12.</b> If your EqIA is assessed as <b>outcome 3</b> explain your justification with full reasoning to continue with your proposals.	

## Stage 9 - Organisational sign Off

<b>13.</b> Which group or committee considered, reviewed and agreed the EqIA and the Improvement Action Plan?			
Signed: (Lead officer completing EqIA)		Signed: (Chair of DETG)	
Date:	24/10/2016	Date:	
Date EqIA presented at Cabinet Briefing (if required)		Signature of DETG Chair (following Cabinet Briefing if relevant)
