

**Procedural motion to move Item 17 *Questions with Notice* up the agenda to precede the budget debate and follow Item 5 *Public Questions*.**

Proposed by Councillor Macleod-Cullinane and seconded by Councillor Hall

We propose a procedural motion to move Item 17 *Questions with Notice* up the agenda to precede the budget debate and follow Item 5 *Public Questions*. This is to enable questions relevant to the budget to be asked before the budget goes to the vote.
