

Appendix 3: Stakeholder consultation

Consultation with stakeholders will take place in autumn 2017.

The following parties have been identified as having a direct interest in the reorganisation of the Public Health Service in Harrow.

Stakeholders
Public Health Service Staff
Trades Unions
Harrow CCG
Schools in Harrow
Pharmacies in Harrow
Voluntary sector in Harrow
Public Health England London region

Residents of Harrow are not included in this consultation as a number of consultations with residents of Harrow have been held in relation to the deletion of discretionary services, for example, the Smoking Cessation service, which have been reported previously as part of MTFS Peoples Services cabinet papers.
