Flats 29-34 Pinner Grove, Pinner **P/2133/17**

LONDON BOROUGH OF HARROW

PLANNING COMMITTEE

6th September 2017

APPLICATION NUMBER: P/2034/16
VALIDATE DATE: 16/06/2017
LOCATION: FLATS 29 TO 34 PINNER GROVE, PINNER
WARD: PINNER
POSTCODE: HA5 5NY
APPLICANT: HARROW COUNCIL
AGENT: HARROW COUNCIL
CASE OFFICER: CATRIONA COOKE
EXPIRY DATE: 20/07/2017

PURPOSE OF REPORT/PROPOSAL

The purpose of this report is to set out the Officer recommendations to The Planning Committee regarding an application for planning permission relating to the following proposal.

Conversion of basement level to single dwelling, with associated sunken terrace at the side, boundary treatment and landscaping.

RECOMMENDATION

The Planning Committee is asked to:

- 1) agree the reasons for approval as set out this report; and
- 2) grant planning permission subject to the Conditions listed in Appendix 1 of this report

REASON FOR THE RECOMMENDATIONS

The development would redevelop an existing underused basement area to provide an additional one bedroom flat to the Council housing stock. There is no addition to the built form and it is considered that the proposal would not impinge on neighbouring amenities. The flat meets all minimum floor space standards. Accordingly, the development would accord with development plan policies and is recommended for grant.

INFORMATION

The application is reported to the Planning Committee as the subject site is owned by the Council and is over 100sqm in area. As such, it falls outside the scope of the exception criteria set out at Part 1(h) of the Scheme of Delegation dated 29th May 2013.

Statutory Return Type:	E13 – Minor Dwellings
Council Interest:	Council Owned
GLA Community Infrastructure Levy (CIL) Contribution (provisional):	£3,045
Local CIL requirement:	£9,570

HUMAN RIGHTS ACT

The provisions of the Human Rights Act 1998 have been taken into account in the processing of the application and the preparation of this report.

EQUALITIES

In determining this planning application the Council has regard to its equalities obligations including its obligations under section 149 of the Equality Act 2010.

For the purposes of this application there are no adverse equalities issues.

S17 CRIME & DISORDER ACT

Policies 7.3.B and 7.13.B of The London Plan and policy DM1 of the Development Management Policies Local Plan require all new developments to have regard to safety and the measures to reduce crime in the design of development proposed. It is considered that the development does not adversely affect crime risk.

LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985 **BACKGROUND PAPERS USED IN PREPARING THIS REPORT:**

- Planning Application
- Statutory Register of Planning Decisions
- Correspondence with Adjoining Occupiers
- Correspondence with Statutory Bodies
- Correspondence with other Council Departments
- Nation Planning Policy Framework 2012
- London Plan 2016
- Local Plan - Core Strategy, Development Management Policies, SPGs
- Other relevant guidance

LIST OF ENCLOSURES / APPENDICES:

Officer Report:
Part 1: Planning Application Fact Sheet
Part 2: Officer Assessment
Appendix 1 – Conditions and Informatives
Appendix 2 – Site Plan
Appendix 3 – Site Photographs
Appendix 4 – Plans and Elevations

PART 2 : ASSESSMENT

1.0 SITE DESCRIPTION

- 1.1 The application site comprises the basement of flats 29 to 34 Pinner Grove.
- 1.2 The basement is accessed via the main entrance and staircase. The basement currently provides access to metering equipment.

2.0 PROPOSED DETAILS

- 2.1 The application proposes the conversion of the floorspace to one two bedroom 3 person self-contained flat.
- 2.2 Provision of a 6sqm terrace to be excavated at the side to provide amenity space and additional light to the living room
- 2.3 Replacement windows to match the existing.

3.0 HISTORY

- 3.1 N/A

4.0 CONSULTATION

- 4.1 A total of 46 consultation letters were sent to neighbouring properties regarding this application. The public consultation period expired on 07/07/2017.

4.2 Adjoining Properties

Number of Letters Sent	46
Number of Responses Received	0
Number in Support	0
Number of Objections	0
Number of other Representations (neither objecting or supporting)	0

4.3 External Consultation

- 4.4 A summary of the consultation responses received along with the Officer comments are set out in the Table below.

Consultee	Summary of contents	Officer Comments
The Pinner Association	No comments received.	Noted.

4.5 Internal Consultation

4.6 A summary of the consultation responses received along with the Officer comments are set out in the Table below.

Consultee	Summary of contents	Officer Comments
LBH Drainage	No objection subject to conditions.	Noted – condition recommended

5.0 POLICIES

5.1 Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that:

‘If regard is to be had to the Development Plan for the purpose of any determination to be made under the Planning Acts, the determination must be made in accordance with the Plan unless material considerations indicate otherwise.’

5.2 The Government has issued the National Planning Policy Framework [NPPF] which consolidates national planning policy and is a material consideration in the determination of this application.

5.3 In this instance, the Development Plan comprises The London Plan 2016 [LP] and the Local Development Framework [LDF]. The LDF comprises The Harrow Core Strategy 2012 [CS], Harrow and Wealdstone Area Action Plan 2013 [AAP], the Development Management Policies Local Plan 2013 [DMP], the Site Allocations Local Plan [SALP] 2013 and Harrow Local Area Map 2013 [LAP].

6.0 APPRAISAL

6.1 The main issues are:-

Principle of the Development
Regeneration
Character and Appearance of the Area
Residential Amenity
Floodrisk and Drainage
Accessibility

6.2 Principle of Development

6.2.1 Policy 3.8 of The London Plan (2016) encourages the Borough to provide a range of housing choices in order to take account of the various different groups who require different types of housing. Further to this, Core Policy CS.1 states that ‘New residential development shall result in a mix of housing in terms of type, size and tenure across the Borough and within neighbourhoods, to promote housing choice, meet local needs, and to maintain mixed and

sustainable communities’.

6.2.2 Having regard to the London Plan and the Council’s policies and guidelines, it is considered that the proposed conversion of the disused basement would constitute an increase in smaller housing stock within the Borough, and would therefore be acceptable in principle.

6.3 Regeneration

6.3.1 The proposal would redevelop a currently underused storage area to provide an additional one bedroom flat. Thereby creating additional Council Housing Stock and creating local jobs during the refurbishment process.

6.3.2 The proposal is in accordance with the Council’s Regeneration policies.

6.4 Character and Appearance of the Area

6.4.1 The NPPF makes it very clear that good design is a key aspect of sustainable development and is indivisible from good planning and should contribute positively to making better places for people.

6.4.2 The London Plan (2016) policies 7.4B and 7.6B set out the design principles that all boroughs should seek to ensure for all development proposals. The London Plan (2016) policy 7.4B states, inter alia, that all development proposals should have regard to the local context, contribute to a positive relationship between the urban landscape and natural features, be human in scale, make a positive contribution and should be informed by the historic environment. The London Plan (2016) policy 7.6B states, inter alia, that all development proposals should; be of the highest architectural quality, which complement the local architectural character and be of an appropriate proportion composition, scale and orientation.

6.4.3 Core Policy CS(B) states that ‘All development shall respond positively to the local and historic context in terms of design, siting, density and spacing, reinforce the positive attributes of local distinctiveness whilst promoting innovative design and/or enhancing areas of poor design.’

6.4.4 Policy DM 1 of the Harrow Development Management Policies Local Plan (2013) reinforces the principles set out under The London Plan (2016) policies 7.4B and 7.6B and seeks a high standard of design and layout in all development proposals. It goes on to state, amongst other things, that developments should contribute to the creation of a positive identity through the quality of building layout and design, should be designed to complement their surroundings, and should have a satisfactory relationship with adjoining buildings and spaces.

6.4.5 The proposal relates to the conversion of a basement area into a self-contained flat. There will be no extensions to the property. The undefined basement area is currently underused and there is evidence of anti-social behaviour near the secluded basement. It is considered that the proposal

would make a positive contribution to the character of the area and would reinforce the positive aspects of local distinctiveness. Officers consider the re-development of the site would provide an increased sense of place, vibrancy and identity within the community and would successfully integrate into the surrounding suburban context. As such, the proposal is considered to comply with The National Planning Policy Framework (2012), policies 7.4B, 7.6B and 7.8 C and D of The London Plan (2016) core policy CS1 B and D of the Harrow Core Strategy (2012) and policies DM1 and DM 7 of the Harrow Development Management Policies Local Plan (2013).

6.5 Residential Amenity

- 6.5.1 Policy 7.6 of The London Plan (2016) states that “Buildings and structures should not cause unacceptable harm to the amenity of the surrounding land and buildings, particularly residential buildings, in relation to privacy, overshadowing, wind and microclimate”.
- 6.5.2 Policy DM 1 of the Harrow Development Management Policies Local Plan (2013) requires that: “All development and change of use proposals must achieve a high standard of privacy and amenity of neighbouring occupiers”. “The assessment of the design and layout of proposals will have regard to: “the massing, bulk, scale and height of proposed buildings in relation to the location, the surroundings and any impact on neighbouring occupiers”.
- 6.5.3 The proposed conversion would not result in any additional built form and therefore it is considered that there would be no impact on the residential amenities of neighbouring properties with regard to overshadowing and visual amenity. The windows of the unit would offer views of the public domain and therefore there would be no impact with regard to overlooking or loss of privacy.

6.6 Amenity Impacts on the Future Occupiers of the flats

Policy DM 27 of the Harrow DMP LP (2013) states that: “*Residential development proposals that provide appropriate amenity space will be supported. The appropriate form and amount of amenity space should be informed by*

- a. the location and dwelling mix;*
- b. the likely needs of future occupiers of the development;*
- c. the character and pattern of existing development in the area;*
- d. the need to safeguard the privacy and amenity of neighbouring occupiers;*
- and*
- e. the quality of the space proposed including landscaping (see Policy DM22 Trees and Landscaping).”*

- 6.6.1 The proposed flat would have a 6sqm walled terrace amenity space to the south which is considered to be appropriate and would accord within the standards set out in the Mayoral Housing SPG (2016).

6.6.2 Table 3.3 of the adopted London Plan (2015) specifies minimum Gross Internal Areas (GIA) for residential units. Paragraph 3.36 of the London Plan (2016) specifies that these are minimum sizes and should be exceeded where possible. The use of these residential unit GIA's as minima is also reiterated in Appendix 1 of the Council's adopted SPD.

6.6.3 The room sizes of the flat are shown in the table below, along with the minimum floor areas for rooms as recommended by the Mayor of London Housing SPG (March 2016)

	Gross Internal Floor Area	Bedroom
Mayor of London Housing SPG (2016)	2 bedroom, 3 person (70sqm)	Double 11.5sqm Single 7.5sqm
Proposed flat	86.2 sqm	Double 12.5 Single 9sqm

6.6.4 With reference to the above table, it is considered that adequate Gross Internal Area and adequate room sizes of the flat would result in an acceptable form of accommodation.

6.6.5 A section drawing has been submitted that shows the finished floor to ceiling height to be 2.5m which is considered acceptable.

6.7 Refuse

6.7.1 The proposed unit would use the existing communal bin storage which is considered acceptable.

6.7.2 In summary, officers consider that the proposal would accord with the National Planning Policy Framework (2012), policies 3.5C and 7.6B of The London plan (2016), policies DM 1 and DM 27 of the Harrow Development Management Polices Local Plan (2013), Supplementary Planning Guidance: Housing Design Guide (2012) and adopted Supplementary Planning Document (SPD): Residential Design Guide (2010). This condition will be included.

6.8 Flood Risk and Drainage

6.8.1 The application site is located in a critical drainage area of Harrow. Policy DM10 was introduced to address surface water run-off and flood risk from developments. The application would not result in a net increase in development footprint and therefore there would no increase in surface water run-off rates. It is noted that an objection has been received regarding issues with sewerage at the site. However, the Drainage authority has raised no objection and has recommended a condition to ensure that details of sewerage are approved prior to the occupation of the unit.

6.8.2 In conclusion, the development is considered to fulfil the objectives of the NPPF concerning managed impacts upon flood risk and would satisfy London Plan (2015) policies 5.12, 5.13 and 5.14, policy CS1 U of the Harrow Core Strategy, and policy DM 10 of the Harrow Development Management Policies Local Plan (2013).

6.9 Accessibility

6.9.1 The London Plan (2016) requires all new development in London to achieve the highest standards of accessibility and inclusive design as outlined under policy 7.2. Policy DM 2 of the Harrow DMLP (2013) seeks to ensure that buildings and public spaces are readily accessible to all.

6.9.2 The flat would be accessed from the existing front access and a steep staircase, Officers consider that it would be unreasonable to require the unit to be accessible and adaptable in this instance due to site specific circumstances.

7.0 CONCLUSION AND REASONS FOR APPROVAL

7.1 The proposed redevelopment of the underused basement area would provide an additional small residential unit for the Harrow Council housing stock and would not have an undue impact on the character of the area or the residential amenities of neighbouring occupiers.

APPENDIX 1 : CONDITIONS AND INFORMATIVES

Conditions

1 Timing

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

2 Approved Plans and Details

The development hereby permitted shall be carried out in accordance with the approved plans: 101; 201; 202; 203; 210; 211

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Drainage

The development hereby permitted shall not be occupied until works for the disposal of sewage have been provided on site in accordance with details to be submitted to, and approved in writing by, the Local Planning Authority. The works shall thereafter be retained.

Reason: To ensure that adequate drainage facilities are provided in accordance with Sewers for Adoption.

Informatives

1 **Policies**

The following policies are relevant to this decision:

National Planning Policy Framework (2012) (NPPF)

The London Plan (2016)

- 3.3 – Increasing Housing Supply
- 3.5 – Quality and Design of Housing Developments
- 3.8 – Housing Choice
- 5.2 – Minimising Carbon Dioxide Emissions
- 5.3 – Sustainable Design and Construction
- 5.12 – Flood Risk Management
- 5.13 – Sustainable Drainage
- 6.3 – Assessing Effects of Development on Transport Capacity
- 6.9 – Cycling
- 6.13 – Parking

2 Pre-application engagement

Statement under Article 35(2) of The Town and Country Planning (Development Management Procedures) (England) Order 2015

This decision has been taken in accordance with paragraphs 187-189 of The National Planning Policy Framework. Harrow Council has a pre-application advice service and actively encourages applicants to use this service. Please note this for future reference prior to submitting any future planning applications.

3 Considerate Contractor Code of Practice

The applicant's attention is drawn to the requirements in the attached Considerate Contractor Code of Practice, in the interests of minimising any adverse effects arising from building operations, and in particular the limitations on hours of working.

4 Party Wall Act

The Party Wall etc. Act 1996 requires a building owner to notify and obtain formal agreement from adjoining owner(s) where the building owner intends to carry out building work which involves:

1. work on an existing wall shared with another property;
 2. building on the boundary with a neighbouring property;
 3. excavating near a neighbouring building,
- and that work falls within the scope of the Act.

Procedures under this Act are quite separate from the need for planning permission or building regulations approval.

"The Party Wall etc. Act 1996: Explanatory booklet" is available free of charge from:

Communities and Local Government Publications, PO Box 236, Wetherby, LS23 7NB

5 GLA CIL

Please be advised that approval of this application (either by Harrow Council, or subsequently by PINS if allowed on Appeal following a Refusal by Harrow Council) will attract a liability payment of **£1,850** of Community Infrastructure Levy. This charge has been levied under Greater London Authority CIL charging schedule and s211 of the Planning Act 2008.

Harrow Council as CIL collecting authority on commencement of development will be collecting the Mayoral Community Infrastructure Levy (CIL).

Your proposal is subject to a CIL Liability Notice indicating a levy of **£1,850** for the application, based on the levy rate for Harrow of £35/sqm and the stated

chargeable floorspace of **53 sqm**

You are advised to visit the planning portal website where you can download the appropriate document templates.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

6 Harrow CIL

Harrow has a Community Infrastructure Levy which will apply Borough wide for certain uses of over 100sqm gross internal floor space. The CIL has been examined by the Planning Inspectorate and found to be legally compliant. It will be charged from the 1st October 2013. Any planning application determined after this date will be charged accordingly.

Harrow's Charges are:

Residential (Use Class C3) - £110 per sqm;

Hotels (Use Class C1), Residential Institutions except Hospitals, (Use Class C2), Student Accommodation, Hostels and HMOs (Sui generis)- £55 per sqm;

Retail (Use Class A1), Financial & Professional Services (Use Class A2), Restaurants and Cafes (Use Class A3) Drinking Establishments (Use Class A4)

Hot Food Takeaways (Use Class A5) - £100 per sqm

All other uses - Nil.

The Harrow CIL contribution for this development is **£5,830**.

7 Drainage

The applicant should contact Thames Water Utilities Limited and Harrow Drainage Section at the earliest opportunity.
