

## **CABINET – 14 SEPTEMBER 2017**

Written response to supplemental to Public Question 5.

**Questioner:** Paul Ruck, Whitchurch Gardens Management Company Limited

**Asked of:** Councillor Keith Ferry, Deputy Leader and Portfolio Holder for Business, Planning and Regeneration

**Supplemental Question:** Questioner insisted that these properties were not consulted, and the Portfolio Holder undertook to check if a site notice was put up and also to see if there was anything further he could add on why the letters were apparently not received.

**Supplemental Answer:** Having looked into this, I can confirm that whilst a site notice was not displayed (because the site is not in a Conservation Area or affecting the setting of a Listed Building), the Council did receive a number of responses from properties in Queens Mead on application P/1104/17. This would seem to indicate that they were aware of this application. The responses can be viewed on the Council's website.
