Asked of:	Councillor Kiran Ramchandani, Portfolio Holder for Performance, Corporate Resources and Customer Services
Supplemental Question:	Question relating to commercial champions and performance in Access Harrow
Supplemental Answer:	As part of the Commercialisation Strategy, the Council decided to look into appointing a number of commercial champions to be involved in commercial initiatives across the Council. A number of individuals were identified, however the initiative has not progressed to beyond this stage at present. You raised a question about performance in Access Harrow and who is involved in it. This work is delivered by the management team for Access Harrow.
