## **Section 2 – Report**

1. At their meeting on 8 September 2015 the Committee considered a report entitled “Options for Liability Driven Investments (LDI) Strategy. After discussion they resolved:

*That the status quo, a 13% Bond allocation invested in a combination of corporate bonds and index-linked gilts, be retained in relation to the Fund’s Bond portfolio and that Aon Hewitt be requested to provide guidance on the catalysts that would trigger a move to an LDI Strategy with Option 2 being the preferred Option.*

2. On 25 November 2015 the Committee considered a further report from Aon Hewitt which set out options for taking forward the consideration of an LDI Strategy. They resolved:

*That they should receive a short report on funding levels at the next meeting of the Committee and thereafter on a quarterly basis.*

3. Attached is the report for the period up to 31 December 2017. The Committee are invited to note this report from Aon Hewitt as no de-risking actions are recommended at the current time.

### **Financial Implications**

4. The consideration of strategy changes is an important part of the management of the Pension Fund investments and the performance of the Fund’s investments plays an extremely important part in the financial standing of the Fund. The only financial implications arising from this report are those associated with not making any strategic changes and continuing to accept the current levels of risk.

### **Risk Management Implications**

5. The risks arising from investment performance are included in the Pension Fund risk register.

### **Equalities implications**

6. There are no direct equalities implications arising from this report.

### **Council Priorities**

7. Investment performance has a direct impact on the financial health of the Pension Fund which directly affects the level of employer contribution which then, in turn, affects the resources available for the Council’s priorities
