2. Cabinet note the report and identify any changes it wishes to see in future reports.

## Reason: (For recommendations)

1&2: To enable Cabinet to be informed of performance against key measures and to identify and assign corrective action where necessary.

# **Section 2 – Report**

### Introduction

Cabinet sits in the role of Performance Board on a quarterly basis to receive the Strategic Performance Report. The report helps Members to monitor progress against the Council's vision and Corporate Priorities and identify corrective action where necessary.

## **Reporting Format**

This report addresses the content of the Council's corporate plan, Harrow Ambition 2020, readopted by the Council with amendments in February 2017, and is arranged by reference to the three strategic themes:

- Build a Better Harrow
- Be More Business-like and Business Friendly
- Protect the Most Vulnerable and Support Families

Some measures in the scorecard are available only annually or biennially as they concern outcomes that change relatively slowly over time. For simplicity, they are therefore shown only in the quarter in which data becomes available.

The report at **Appendix 1** provides the following content:

#### Summary of achievement in the Quarter

• Highlights of achievements under each strategic theme

### Performance Summary for each strategic theme

- Progress against Key Projects and Initiatives identified in the Harrow Ambition Plan
- Information and current or planned action against each performance indicator with a red status in the "key challenges" section
- The corresponding section of the Corporate Scorecard

### **Options considered**

Cabinet's terms of reference in the constitution include overseeing strategic performance issues on a quarterly basis and as such an option of not delivering this report has not been considered.

#### **Performance Issues**

The report deals in detail with performance issues.

#### **Environmental Implications**

There are no direct environmental implications arising from this report. However, each of the projects referred to in the report will have some environmental impact and this should be assessed to ensure that any decisions, taken in response to this report, do not have a negative impact on the environment and, where possible, positively contribute towards the Council's climate change strategy.

### **Risk Management Implications**

The risks arising from the Performance Report will be measured through the Council's Corporate Risk Register.

#### **Procurement Implications**

None specific to this report.

### **Legal Implications**

### **Financial Implications**

There are no Financial Implications arising from this report. The Final Revenue and Capital Outturn position for 2017/18 was reported to Cabinet on 21 June 2018.

Any decisions driven by the actions taken in response to this report will need to be assessed through an Equalities Impact Assessment.

### **Council Priorities**

The Council's vision:

#### Working Together to Make a Difference for Harrow
