

CABINET – 13 JULY 2018

Written Response to supplemental question from Public Questioner 6

4.

Questioner: Barry Macleod-Cullinane

Asked of: Councillor Graham Henson, Leader of the Council and Portfolio Holder for Strategy, Partnerships, Devolution and Customer Services

Supplemental Question: This bay has been suspended for a number of months prior to the 31st March when this notice was put up and, in that time, it appears to be a fine trap. Can you tell me how many parking notices have been issued to-date in that bay?

Written Response to Supplemental Question: Prior to the Notice being erected, this bay was marked and restricted to leisure centre business permit holders only. PCNs would only have been issued for parking in a permit restricted bay without displaying a valid permit.

Since the 31st March 2018, 49 PCNs have been issued for parking in a suspended bay.
