

## Draft Scrutiny Work Programme 2018 – 2022

This paper sets out the scrutiny work programme for 2018-2022. Year one of the work programme is more defined than years 2, 3 and 4 at this stage, which are more outline to allow the work programme to be flexible and respond to developing and emerging need. Work that scrutiny launches in year one may carry on into subsequent years. The Scrutiny Leadership Group are the custodians of the Scrutiny Work Programme and meet quarterly to ensure the work programme remains current, is delivering and to agree the escalation of any issues from Scrutiny Leads or committees.

Routine and standing items such as statutory reports, follow up to scrutiny reviews, health consultations and Q&A sessions will be added in to the forward plans for each of the scrutiny committees and Performance Indicators from the P&F 'watchlist' will be added to the Leads' remits.
