**PROPOSAL:** *Change of use from residential (class c3) to care home (class c2)*

**DECISION:** Deferred, subject to a site visit.

**69. 2/02: 40 Sequoia Park, Pinner - P/2232/18**

**PROPOSAL:** Use of rooms on ground floor for beauty treatments

Councillor Stephen Greek, Anjana Patel & Bharat Thakker left the room during consideration of this item.

Following questions and comments from Members, an officer advised that:

- although the London Plan sought to restrict the loss of accommodation within residential dwellings, it was nevertheless in favour of home-working, within limits;

- retrospective applications such as this one, though not illegal, were considered unwise and as such were not condoned by the planning service;
- if granted, the permission would be reviewed in two years' time.

A Member expressed disappointment at the fact that the application had been made retrospectively.

**DECISION: GRANTED**, planning permission subject to the Conditions listed in Appendix 1 of the officer report.

*The Committee wished it to be recorded that the decision to grant the application was by a majority of votes.*

*Councillors Simon Brown, Keith Ferry & Graham Henson voted for the application.*

*Councillor Christine Robson abstained from voting.*

**70. 20/3: Bovis House, 142 Northolt Road - P/0370/18**

**PROPOSAL:** *Conversion of existing internal cycle room to store room; creation of additional floor incorporating 9 flats; bin and cycle store.*

Following questions and comments from Members, an officer advised that:

- the applicant had submitted a Waste Management Plan and officers considered that this would be sufficient to meet the needs of future occupiers and would safeguard the amenities of the local area. If a construction management plan had been deemed necessary, then this would have been requested by the Highways authority, who had not raised any objections to the application;
- with regard to soft landscaping, the applicant had agreed to plant trees into the ground rather than in pots;
- issues raised by the objector in relation to building control did not fall within the remit of the Committee and was the responsibility of the Building Control Section.

Members expressed their dismay regarding Permitted Development rights which allowed the conversion of office space to residential space and whether the proposal met the relevant national building control requirements and standards.

An officer undertook to forward the concerns raised by Members to the Building Control Section.

The Committee received representations from an objector, Ms Yousif and from a representative of the applicant, Mr Butcher.

## **DECISION: GRANTED**

### **RECOMMENDATION A**

Granted planning permission subject to authority being delegated to the Divisional Director of Regeneration, Enterprise and Planning in consultation with the Director of Legal and Governance Services for the completion of the Section 106 legal agreement and other enabling legislation and issue of the planning permission and subject to minor amendments to the conditions (set out in Appendix 1 of the officer report) or the legal agreement.

### **RECOMMENDATION B**

That if the Section 106 Agreement is not completed by 31<sup>st</sup> October 2018 or such extended period as may be agreed in writing by the Divisional Director of Planning, then delegate the decision to the Divisional Director of Planning to **REFUSE** planning permission for the appropriate reason.

#### **71. 2/04: 132 Cavendish Avenue, Harrow - P/2185/18**

**PROPOSAL:** *Redevelopment to provide two storey dwellinghouse with basement and accommodation in roof; refuse storage*

Following questions and comments from Members, an officer advised that following the previously refused scheme (reference P/0962/18), a number of amendments had been made to address the reasons for refusal. Officers deemed the current application acceptable.

Members expressed dismay that the former application property had been demolished by the applicant without planning permission in order to implement the permission granted under reference P/4297/17.

A Member proposed refusal on the following grounds:

‘The proposal, by reason of its design, form and siting would represent an inappropriate, discordant and incongruous form of development, at odds with the character of the area and the prevailing pattern of development in the streetscene, contrary to the high quality design aspirations contained in the National Planning Policy Framework (2012), policies 7.4B, 7.6B and 3.5A of The London Plan (2016), policy CS1.B of the Harrow Core Strategy (2012), policy DM 1 of the Harrow Development Management Policies Local Plan (2013) and the adopted Supplementary Planning Document: Residential Design Guide (2010). ‘

The motion was seconded, put to the vote and lost. The Chair used his casting vote.
