

Appendix 1 – Cabinet Report November 2018

Fact sheet on joint waste enforcement contract 18th October

1. The contract notice was published in the Official Journal of the European Union on the 16th February 2018, notice reference 2018/S 035- 076395 applying. The contract period advertised was an initial term of 2 years with 3 individual one year subsequent extension periods available to the Councils.
2. 13 firms expressed interest, of which 4 returned a compliant Selection Questionnaire (SQ) by the deadline of the 6th April 2018.
3. Of the 4 firms which submitted an SQ, 3 were invited to tender on the 17th August 2018.
4. Initial tenders were due on the 21st September 2018 and 2 tenders were received.
5. Tender evaluation was completed on the 2nd October 2018 and the following scores were awarded:-

Bidder	Quality Score	Finance Score	Totals
2	36.39%	33.00%	69.39%
1 (winning)	35.23%	40.00%	75.23%

6. Following a stringent review of the economic sustainability of the tenders by the finance officers, senior officers took the view that the delays resulting from a round of negotiation and the evaluation of revised tenders were unnecessary. Consequently, the Councils can proceed to award the contract to the winning bidder.
