

MAJOR DEVELOPMENTS PANEL – 10 JULY 2019

AGENDA PART 1

PUBLIC QUESTIONS (ITEM 5)

Fifteen minutes will be allowed for members of the public to ask the Chair a question on any matter within the terms of reference of the Panel

Public Question

Questioner: David Summers

Asked of: Councillor Keith Ferry, Chair of the Major Developments Panel

Question: With the Council's intention to seek a private sector development partner, what opportunities will there be to revisit the much criticised proposed location of a new civic centre and address the criticisms of plans for the Peel Road, Poet's Corner and Byron Quarter sites or is the intention to carry on regardless as it is "time to get building now"?
